What Happened to Lani Garver Carol Plum-Ucci,2002-09-01 The close knit residents of Hackett Island have never seen anyone quite like Lani Garver Everything about this new kid is a mystery Where does Lani come from How old is Lani And most disturbing of all is Lani a boy or a girl Popular Claire McKenzie isn't up to tormenting Lani with the rest of the high school elite Instead she decides to befriend the intriguing outcast But within days of Lani's arrival tragedy strikes and Claire is left questioning herself her friendships and most interesting of all the possibility that angels may exist on earth *The Heart Has Its Reasons* Michael Cart,Christine A. Jenkins,2006-03-30 Society does not make it easy for young people regardless of their sexual orientation to find accurate nonjudgmental information about homosexuality It makes it even more difficult for young homosexuals to find positive role models in fiction either written or published expressly for them or if published for adults relevant to them and their lives *The Heart Has Its Reasons* examines these issues and critically evaluates the body of literature published for young adults that offers homosexual themes and characters Cart and Jenkins chart the evolution of the field of YA literature having GLBTQ gay lesbian bisexual transgendered and or queer questioning content They identify titles that are remarkable either for their excellence or failures noting the stereotypic wrongheaded and outdated books as well as the accurate thoughtful and tactful titles Useful criteria for evaluating books with GLBTQ content are provided Books and resources of all types are reviewed based on a model that uses the category descriptors of Homosexual Visibility Gay Assimilation and Queer Consciousness Community An annotated bibliography and a number of author title lists of books discussed in the text arranged by subject round out this valuable reference for teachers librarians parents and young adults *In Transition* Emily Corbett,2024-05-28 The first book length work of its kind *In Transition* Young Adult Literature and Transgender Representation examines the shift in the young adult book market towards increased representation of transgender characters and authors Through a comprehensive exploration of historical conventions genres character diversity and ideologies of trans representation Emily Corbett traces the roots of trans literature from its beginnings in a cisgender dominated publishing world to the recent rise in trans creators characters and implied readers Corbett describes how transness was initially perceived as an issue to be overcome by cisgender authors and highlights the ways in which the market has changed Through careful analysis of texts that have until now received little scholarly attention Corbett weaves together different theoretical approaches and fields of study to provide a map of the textual and cultural histories of this twenty first century publishing phenomenon Focusing on trans authorship authentic storytelling and intersectional diversity this book charts changing public attitudes the YA book market and the unique sociocultural moment in which these books are published *In Transition* contributes new perspectives on the intersections of adolescence and transness and sheds light on a dynamic subset of YA literature that has yet to receive sustained analysis
