What Is God Saying Learning To Hear The Voice Of God:

What Is God Saying? Jason A. Porter, 2014-07-31 This book discusses the importance of hearing the voice of God Many Christians believe that the voice of God is silent and unavailable Hearing the voice of God is not as difficult as it might seem The voice of God is available to every believer We must equip ourselves to properly hear what he is saying through devoting the necessary time to become familiar with his voice This book will unfold the practices that we should embed into our daily lives to enhance our ability to hear from God God wants to speak to you It does not take a Prophet Apostle Evangelist etc to tell you what God is saying You are well capable of hearing God for yourself However God does use different ministry areas to bring confirmation and affirmation to the believer You must cultivate a relationship with God learn to recognize his voice and properly respond to what he says After reading this book I am certain you will know the importance of Relationship

Recognition and Response when it comes to hearing the voice of God **What the Bible Really Says about How to Hear God** Peter Tullener, 2020-04-09 The Bible tells us that faith comes by hearing and hearing by the word of God and without faith it is impossible to please God We are also told that God speaks to us through His written word and spoken words So how can we have faith if we can't hear the word of God Hearing God's voice is not only reserved for those who are good or holy or special enough It is a privilege that is available to anyone that truly follows Jesus Christ It may not be easy but it is possible for the most simple person to learn to do regardless of your intelligence education background ancestry or past sins People often find the Bible difficult to read because it contains so much information about so many different and critically important subjects that it is sometimes difficult to focus on one specific subject as you read through all the books of the Bible This book extracts the scriptures that the Bible gives to help you hear the voice of God and gives simple practical advice so that you can avoid many mistakes that so many Christians have made so that you can more easily live the abundantly blessed life that Jesus died for you to have What the Bible Really Says about How to Hear God is a book that simply and plainly explains what the Bible actually says about the subject and incorporates over twenty five years of the author's life experience and mistakes that will help you to avoid making the same mistakes and to learn how to recognize hear and follow the voice of God in your everyday life **Learning to Hear the VOICE OF GOD** Karen Roti, 2017-08-13 God's voice is not thunder and lightning His Spirit the Holy Spirit dwells inside each believer and speaks in a still small voice The Holy Spirit is the voice of God This book will help you learn the guidelines for hearing and recognizing God's voice in your own life Also you will learn how to avoid being tricked by the enemy like Adam and Eve into believing a twisted lie There are guidelines for testing the spirits to know which voice is speaking to you It is also a process of getting to know the Holy Spirit and his voice You can test each message to know if it's the Holy Spirit or not It may take time testing and experience to hear and know His voice but this book is about all the extraordinary things that will happen as you begin to follow the leading of the Holy Spirit in all your decisions **Pursuing Intimacy With God** Kevin Bart, 2018-11-27 New Edition Improved format and 40% more material
