Unexpected Consequences of Love Jill Mansell, 2015-02-03 Sophie has no interest in finding love But what happens when love finds her Sophie Wells is a successful photographer with a focus on putting the past firmly behind her When Josh Strachan returns to the seaside town of Cornwall from the States to run his family's hotel he can't understand why the fun sexy girl has zero interest in letting him or any man for that matter into her life He also can't understand how he's been duped into employing Sophie's impulsive friend Tula whose crush on him is decidedly unrequited Both girls remain mum about the reasons behind Sophie's indifference to love But that doesn't mean Josh is going to quit trying

The Book of Consequences Alastair Sharp, 2018-06-21 Mektoub they say in Arabic It is written Whatever you think whatever you say whatever you do it has a consequence And although we may not be aware of them perhaps there is someone witnessing the whole thing Not just witnessing but taking note to be entered into the Book of Consequences the record of everything that has ever taken place To be a witness according to some philosophies you have to have transcended the seemingly endless go round of life and death Stepping off that treadmill it is said you can sit back and watch others still journeying on In a state of detachment you assume the role of recording what is significant Lives begin Souls take on bodies yet again and try to fulfill their souls intentions yet again Some make it some do not It is all written In different parts of the world each seemingly disconnected individuals play out their lives A writer in New Zealand and his homeless muse a widow in Adelaide a fingerless guitarist two American academics a Spanish saint a gifted child in Amsterdam an elderly Lebanese shoemaker an Australian jihadist and a drifting orphan who learns to hate the French What do they all have in common Nothing it seems except for the one who watches them all and annotates what is worth recording And yet there is something more something that not even the notetaker can foresee Everything has consequences As they say it is written
