What If I Had Never Tried It The Autobiography:

What If I Had Never Tried It Enrico Borghi, Valentino Rossi, 2009-09-10 Arguably the world's all time greatest motorcycle road racing champion Valentino Rossi is without a doubt the best and the best loved in modern times In *What If I Had Never Tried It* he tells his remarkable story for the first time And as might be expected the story he tells is fast paced full of surprises action packed and always entertaining The son of 1970s racer Graziano Rossi whose number 46 he wears when racing Valentino was born in Urbino Italy in 1979 Here he relates how he started racing as a teenager first with karts and minimotos minibikes He then traces his rapid and seemingly inexorable progress from the 125 class to the 250 class to the 500s and finally on to 990 cc four stroke now known as MotoGP to become a seven time World Champion in Grand Prix racing by the time he was twenty six As he describes starting his career as a clownish upstart only to emerge as The Doctor so famed for his precision Rossi's crowd pleasing character comes through in abundance One moment a charismatic jokester the next an insightful analyst he is finally the single minded focused strategic racer with split second skills the rest of us can only dream of giving us a glimpse of how one man has forever changed the face of motorcycle road racing

What If I Had Never Tried It Valentino Rossi, 2005 Valentino Rossi is the greatest living motorcyclist His legions of fans adore him over 4 000 turned up to see him in Leicester Square last March He has fought through the 125 and 250 class groups to win the World Championships five times and has been ranked in the top three places at the World Championships for the last nine years He is currently the MotoGP World Champion and has won on a Honda bike considered the best and most recently on a Yamaha considered the worst He is arguably the greatest racer ever and certainly the most entertaining his post race antics and cheeky personality have won him as many fans as his on track prowess He is the kind of star who only comes along once in a while a Muhammad Ali or Pele hugely talented massively driven yet also charismatic unnervingly rebellious and totally endearing a twentieth century version of the hell raisers of old He just seems to win more because he's still enjoying himself so much

What's in a Name? Philip Dodd, 2008-12-30 A brilliant and personal literary journey in which Philip Dodd tells the curious tales of people whose names deliberately or by chance became household words What's in a name For Philip Dodd this question led to an international tour sleuthing the history of some of our most intriguing eponyms The result is a collection of surprising stranger than fiction stories from history the arts the halls of science and sometimes simply the realm of serendipity This armchair traveler's delight contains little known tales of such immortal figures as Roy Jacuzzi alive and
