appreciation for God's Word Includes CD ROM **Leave a Footprint - Change The Whole World** Tim Baker, 2009-05-26

You are here for a reason God is calling you to reshape the planet to help change it for the better But if you're like most people you'll spend years searching out why God made you the way he did and never really uncover God's beauty in you and ultimately never realize why God created you Some people believe that when it comes to God's Will in your life there's only one answer Well inside the pages of this book you'll discover that God has definitely created you for a purpose but that purpose isn't an occupation set in stone for the rest of your life Take the time to find out what it means for you to leave a footprint The marks you leave on this world could make all the difference Inside you'll explore Who am I really What gifts and skills do I have You'll look deep inside your emotions your personality and abilities to understand how God has uniquely gifted you to make a difference on Planet Earth What do I dream about You'll look at what your heart longs to do and you'll learn that what you dream about is probably something God has placed in you God has given you passions will you use them for his glory Why am I here You'll discover your life purpose and look into the things you think God may be calling you to do And you'll be challenged to use who you are in the world right now So take off your shoes and step out in faith You'll find out what it means for you to leave your footprint in your world today and what it could mean for your future I AM Standing
