

WIZARD OF OZ

NARRATOR: Once there was a girl named Dorothy. She lived with her parents in the heart of the great Kansas prairies. One day Dorothy and her dog, Toto, were playing inside the house. Suddenly, there appeared a large cyclone that picked the house right up off its foundation with Dorothy and Toto still inside! It carried them high into the sky. After several days, the house landed with a crash.

Dorothy walked to the door and much to her surprise, she was in a strange land. Standing before her was a crowd of little people. They were colorfully dressed. The little people seemed very happy to see Dorothy, who now spoke to their leader.

DOROTHY: Who are you?

MAYOR: I'm the Munchkin mayor. We'd like to thank you for killing the Wicked Witch.

DOROTHY: What do you mean? I haven't killed anyone.

NARRATOR: The mayor pointed to the corner of the house and there, sticking out from under the large beam, were two feet in red shoes.

MAYOR: Your house landed on top of the Witch.

NARRATOR: The Munchkins explained that they had been the Witch's slaves for many years. Today, however, Dorothy had rid them of the Witch and they were at last set free from her evil spell. Then the leader presented Dorothy with the red shoes that the Wicked Witch was wearing.

MAYOR: These shoes are yours now. I'm not sure, but I've heard they're magic.

NARRATOR: Dorothy thanked him and put the shoes on. They fit her perfectly! Then she asked the crowd if they knew how she could get back to Kansas. Since no one had ever heard of Kansas, they could not answer her question. But, the Munchkin Mayor had a wonderful idea.

MAYOR: The Wizard of OZ could help.
