reveal the historical economic and social roots of Colombia's tragic circumstances. They are vehicles of critical analysis for making sense of both the causes and the consequences of the violence as they examine the role of the army, the roots of the drug wars, the situation of women and victims of conflict and the poisoning of a common ethos. The translations and introductory notes make the works and their subjects equally accessible for staging in the theater and for readings and discussion by groups interested in Latin American Studies. Judith A. Weiss is Professor of Hispanic Studies at Mount Allison University in Canada.
