Brill,2008-11-25 A unique approach to using numerology to identify life challenges and karmic lessons to heal emotional and physical problems Provides a clear method for identifying challenges specific to your birthday and name Details 185 health conditions and how to address the causes using numerology from addictions and Alzheimer s disease to thyroid problems heart failure and cancer Offers guidance in understanding universal abandonment issues and how these affect our behavior In Numerology for Healing Michael Brill combines numerology with psychology quantum physics and the concepts of gematria and reincarnation to create a unique approach to healing emotional and physical problems based on life challenges and karmic lessons Humans suffer from a profound sense of abandonment when the soul is decanted from the Universal Oneness into the confines of a personality Brill explains how this sense of abandonment manifests itself in two principal types of behavior people work to be loved and appreciated for who they are or they try to control and micromanage their lives and relationships so that nothing goes wrong Both of these behavior patterns are exhausting physically emotionally and mentally and are clear catalysts for illness Brill details 185 physical and mental health conditions and shows how to identify and treat the causes from addictions and Alzheimer s disease to thyroid problems heart failure and cancer For instance he reveals that in general illnesses beginning with the letter A acne and alcoholism have issues of self esteem as one of the basic causes

whereas illnesses beginning with letter G gallstones and glaucoma are associated with a need to be in control in relationships or at work By using the numerology of your birth date and name Numerology for Healing makes it easy to identify your positive and negative tendencies and characteristics and to use them as the key to achieving a healthier life Number Synchronicity Skot Jonz,2004-09-27 Number Synchronicity A Beacon of Light for the Souls Journey stands as a definitive exploration of a phenomenon affecting millions of people around the world In exploring the inexplicable it becomes necessary to go beyond the amusement of numerology books that show how to gain insight from numbers in a name or birth date Plenty of good books for that already exist Bridging the gap between scientific objectivity and outrageous speculation Number Synchronicity maintains the middle path In pursuit of the truth seemingly separate threads weave the fabric of a new understanding Abundant facts and convincing evidence equate number synchronicity to a beacon of light in a storm providing guidance and comfort during times of chaos transition and uncertainty *A Witches' Canon Part 2* Roy H. Blunden,2023-01-27 An Exploration of the Traditional Witchcraft Coven its Organization and Rituals including Initiations Rites of Passage Magical and Social practices The truth is Old Gerald B Gardner had little interest in how the Traditional Witchcraft Coven had been organized and structured So apart from an example of how it should not be done he passed on little information about how it was meant to be organized That knowledge of how best to organize and structure a modern Coven has had to be reclaimed from the old records and by trial and error So too the social Rites of Passage those of birth marriage and death that were all long since appropriated by the religious authorities have likewise needed to be restored As too the traditional forms of Coven Magic and Healings whilst still keeping Witchcraft ever the religion of Dance Fun and Mirth After all who said that religion is not to be enjoyed A Witches Canon Part 1 provides a fact based referenced guide for those wishing to further explore the Religion and Celebratory Rituals of Traditional Wicca A Witches Canon Part 2 has been written to provide a practical referenced guide to the social aspects of Traditional Wicca of Coven Organization Initiations Rites and Rituals A Witches Canon Part 3 is a fact based referenced guide to the practice of Magical Witchcraft both nice and naughty If it isn't fun then it ain't worth doing **A Witches' Canon** Roy H. Blunden,2021-10-07 Traditional Witchcraft and an Exploration of Its Magical Techniques Rites and Symbols The truth is Witchcraft never altogether went away The old Witchcraft was driven deep into the shadows only to emerge again as a vibrant nature based spiritual practice well attuned to our modern times It is a cooperative religion born in the Stone Age yet ideally suited for this present Age of Science and Technology A religion and magical practice of Dance Fun and Mirth After all who said that religion is not to be enjoyed A Witches Canon Part 1 was written to provide a fact based referenced guide for those wishing to further explore the Religion and Celebratory Rituals of Traditional Wicca A Witches Canon Part 2 provides a practical referenced guide to the social aspects of Traditional Wicca of Coven Organization Initiations Rites and Rituals A Witches Canon Part 3 is a fact based referenced guide to the practice of Magical Witchcraft both nice and naughty If it isn't fun then it ain't worth doing

Ancient Wisdom - the Magic of Numbers S Chandhran, 2019-06-27 This book conveys the ancient wisdom of the magic of numbers in an easy to understand format aimed at both the reader experienced in numerology and the uninitiated This book covers how modern numerology grew and developed over the years including how the term numerology came into use in the Western world It uncovers how wisdom is based on numbers and explores whether mere mortals invented numbers as we know them today Included also is the mystical aspect of the number zero and the presence of God everywhere including in numbers that are used every day At a practical level the author shares the proper method of computing the final number from the date of birth and untangles the confusion of the mathematics involved in major number computation Core numbers are also discussed to help readers work these out in their own lives and in the lives of their friends families and colleagues Through his many years of experience the author has had the privilege of studying many live cases One of the most interesting among these is the numerology behind a pair of identical twins which he reveals exclusively in this book
