swiftly found its place on the cover of TIME and the New Yorker and it ultimately came to symbolize resistance culture. Creator of the Pussyhat Project, Krista Suh, took an idea and built a worldwide movement and symbol in just two months. But like so many women, Krista spent years letting her fears stop her from learning to live by her own rules. Now in *DIY Rules for a WTF World*, Krista Suh shares the tools, tips, experiences, rules, and knitting patterns she uses to get creative, get bold, and change the world. From learning how to use your own intuition to decide which rules are right for you to finding your inner courage to speak up fearlessly from finding what your passions are, this might surprise you to dealing with the squelchers out there. *DIY Rules for a WTF World* not only inspires you to demolish the patriarchy but also enables you to create your own rules for living and even a movement of your own, all with gusto, purpose, and joy. The Resilient Founder Mahendra Ramsinghani, 2021-12-29. Managing your own psychology is the hardest skill for any founder. As acclaimed investor and entrepreneur Ben Horowitz once stated, managing your own psychology is the hardest skill for any founder or CEO. In *The Resilient Founder: Lessons in Endurance from Startup Entrepreneurs*, Mahendra Ramsinghani gathers insights from over a hundred founders to deliver an intuitive and insightful guide to understanding our psychology and navigating the psychological pressures of startup leadership. Venture-backed companies are expected to grow at high velocity, raise large amounts of capital, build teams effectively to achieve unicorn or decacorn status. Yet the journey is long, filled with uncertainties, extremities, and black swan events. It can wear out the best and the brightest. On the outside, a CEO can demonstrate sheer bravado, an invincible spirit, as they behead dragons in the business battlefield. And on the inside, they deal with their dark side, subconscious struggles, emotional barriers, shame, or guilt. The role of a founder can be lonely, frustrating, and filled with high highs and low lows, all of this leading to anxiety, depression, even suicide. This book addresses the fundamentals of understanding our own inner workings and explores practical ways of overcoming our inner hurdles. Filled with simple yet concrete strategies, lessons, and insights, founders and business leaders can work with stress, anxiety, and other mental challenges presented by the life of an entrepreneur. In this book, readers will learn to understand the basics of founder psychology and how our inner workings can help or hurt us. The importance of building a healthy ego, leading to resilience. Draw on the lessons of established startup leaders on how to wrestle with their own mental and emotional challenges. Written for founders, entrepreneurs, and Chief Executive Officers, *The Resilient Founder* leads a gentle path to self-awareness, compassionate soul care, and inner wellbeing. Entrepreneur, investor, and author Brad Feld calls this book dynamite. Case studies, philosophical perspectives, and a generous dose of poetry are sprinkled across this book, which can be a companion for all those misfits, rebels, and the crazy ones. For all those perpetually hitched on the roller coaster ride of entrepreneurial journey, this book is first of a kind to delve into the dark side and present a balanced approach to building your inner core as you build your company. This is no quick fix guide, and we are perpetual work in progress. Today is Day One.

Let us start the journey **Creative Courage** Welby Altidor, 2017-09-06 Achieve more do more create more with the power of creative courage Creative Courage challenges you to step outside of your comfort zone and truly make an impact Set aside the same old routine and break the status quo because you can only rise to new heights if you first smash the ceiling Written by the former Executive Creative Director of Creations at Cirque du Soleil this book shows you how to step up your game flex your creativity and make big things happen Whether you work independently or as part of a team whether you're self-employed or part of an organization and even if you think creativity isn't a part of the work that you do this book gives you the perspective courage and kick start you need to think differently about the things you do every day Creative courage is more than a strategy it's a way of life It opens your mind and the minds of those around you to new approaches new ideas and new schools of thought that can revolutionize the way you work This book invites you to experience the freedom and power at the intersection of courage and creativity so you can finally Foster a more collaborative culture Bring depth and meaning to every project Turn challenge into opportunity Create work that matters The value of creative thinking extends far beyond the arts but the work it allows you to produce has the power to touch like great art can You gain the ability to make a more profound impact and you inspire and motivate others to do the same you become a catalyst for bigger better things driven by the enormous potential of the free thinking mind Creative Courage helps you break out of the box and start making things happen today (Don't) Call Me Crazy Kelly Jensen, 2018-10-02 Who's Crazy What does it mean to be crazy Is using the word crazy offensive What happens when a label like that gets attached to your everyday experiences To understand mental health we need to talk openly about it Because there's no single definition of crazy there's no single experience that embodies it and the word itself means different things wild extreme disturbed passionate to different people In Don't Call Me Crazy thirty-three actors athletes writers and artists offer essays lists comics and illustrations that explore a wide range of topics their personal experiences with mental illness how we do and don't talk about mental health help for better understanding how every person's brain is wired differently and what exactly might make someone crazy If you've ever struggled with your mental health or know someone who has come on in turn the pages and let's get talking
