Republic to Empire from foreign war to civil war Looking back after the events of AD 69 the senator poet Silius Italicus identified the Second Punic War as the turning point in Rome's history through his *Punica* After introductory chapters for those new to the poet and his poem Jacobs close reading of the epic narrative guides students and scholars alike through the *Punica* All Greek and Latin passages are translated to ensure accessibility for those reading in English Far more than simply a retelling of Rome's greatest triumph the *Punica* challenges its reader to make sense of the Second Punic War in light of its full impact on the subsequent course of the city's history
