The Utilitarianism Hackett Classics:

Utilitarianism (Second Edition) John Stuart Mill, George Sher, 2002-06-15 This expanded edition of John Stuart Mill's Utilitarianism includes the text of his 1868 speech to the British House of Commons defending the use of capital punishment in cases of aggravated murder. The speech is significant both because its topic remains timely and because its arguments illustrate the applicability of the principle of utility to questions of large scale social policy. **Utilitarianism** John Stuart Mill, 1979 Mill's Utilitarianism is one of the most important controversial and suggestive works of moral philosophy ever written. Mill defends the view that all human action should produce the greatest happiness overall and that happiness itself is to be understood as consisting in higher and lower pleasures. This volume uses the 1871 edition of the text, the last to be published in Mill's lifetime. Utilitarianism John Stuart Mill, 2017 This edition of Utilitarianism supplements the text of Mill's classic essay with 58 related remarks carefully selected from Mill's other writings ranging from his treatise on logic to his personal correspondence. In these remarks Mill comments on specific passages of Utilitarianism, elaborates on topics he handles briefly in Utilitarianism, and discusses additional aspects of his moral thought. Short introductory comments accompany the related remarks, and an editor's introduction provides an overview of Utilitarianism crafted specifically to enhance accessibility for first-time readers of the essay. **The Classical Utilitarians** Jeremy Bentham, John Stuart Mill, 2003-03-15 This volume includes the complete texts of two of John Stuart Mill's most important works, Utilitarianism and On Liberty, and selections from his other writings including the complete text of his Remarks on Bentham's Philosophy. The selection from Mill's A System of Logic is of special relevance to the debate between those who read Mill as an Act Utilitarian and those who interpret him as a Rule Utilitarian. Also included are selections from the writings of Jeremy Bentham, founder of modern Utilitarianism, and mentor together with James Mill of John Stuart Mill. Bentham's Principles of Morals and Legislation had important effects on political and legal reform in his own time and continues to provide insights for political theorists and philosophers of law. Seven chapters of Bentham's Principles are here in their entirety together with a number of shorter selections including one in which Bentham repudiates the slogan often used to characterize his philosophy, The Greatest Happiness of the Greatest Number. John Troyer's Introduction presents the central themes and arguments of Bentham and Mill and assesses their relevance to current discussions of Utilitarianism. The volume also provides indexes, a glossary, and notes. *The Classical Utilitarians* Jeremy Bentham, John Stuart Mill, 2003 This volume includes the complete texts of two of John Stuart Mill's most important works, Utilitarianism and On Liberty, and selections from his other writings including the complete text of his Remarks on Bentham's Philosophy. The selection from Mill's A System of Logic is of special relevance to the debate between those who read Mill as an Act Utilitarian and those who interpret him as a Rule Utilitarian. Also included are selections from the writings of Jeremy Bentham, founder of modern Utilitarianism, and mentor together with James Mill of John Stuart Mill. Bentham's Principles of Morals and Legislation had important effects on political and legal

reform in his own time and continues to provide insights for political theorists and philosophers of law Seven chapters of Bentham's Principles are here in their entirety together with a number of shorter selections including one in which Bentham repudiates the slogan often used to characterize his philosophy The Greatest Happiness of the Greatest Number John Troyer's Introduction presents the central themes and arguments of Bentham and Mill and assesses their relevance to current discussions of Utilitarianism The volume also provides indexes a glossary and notes

Damned If You Do Margaret S. Hrezo, John M. Parrish, 2010-01-01 Problems of individual moral choice have always been closely bound up with the larger normative concerns of political theory There are several reasons for this continuing connection First the value conflicts involved in private moral choice often find themselves reproduced on the public stage for example states may find it difficult to do right by both justice and mercy in much the same way individuals do Second we frequently find conflicts among the values at stake in individual life and public life such that the moral choice we must make is between private and public goods Loosely speaking choices which express these conflicts are what philosophers call moral dilemmas choices in which no matter what one does one will be forfeiting some important moral good in which wrongdoing is to some degree inescapable in which one is perhaps literally damned if one does and damned if one doesn't The eight essays collected in this volume explore the philosophical problem of moral dilemmas as that problem finds expression in ancient drama classic and contemporary novels television film and popular fiction They consider four main types of dilemmas In the first section the authors examine dilemmas associated with political stability and regime change as expressed in the HBO television series *Deadwood* and in Stephen King's novels and short stories The second section confronts dilemmas associated with public leadership considering the ethical conflicts in Aeschylus's classical dramas *The Suppliants* Tolkien's *Lord of the Rings* and in the contemporary FOX television series *24* In the volume's third section the authors examine dilemmas of institutional evil specifically slavery as they emerge in Harriet Beecher Stowe's classic novel *Uncle Tom's Cabin* and in J K Rowling's *Harry Potter* novels Finally the collection considers dilemmas of community and choice in Toni Morrison's novel *Paradise* and in the contemporary film *A Simple Plan*

The Moral and Political Philosophy of Immigration José Jorge Mendoza, 2016-12-27 In *The Moral and Political Philosophy of Immigration* Liberty Security and Equality Jos Jorge Mendoza argues that the difficulty with resolving the issue of immigration is primarily a conflict over competing moral and political principles and is thereby at its core a problem of philosophy Establishing the necessity of situating the public debate on immigration at the center of philosophical debates on liberty security and equality this book brings into dialog various contemporary philosophical texts that deal with immigration to provide some normative guidance to future immigration policy and reform As a groundbreaking work in social and political philosophy it will be of great value not only to students and scholars in these fields but also those working in social science public policy justice studies and global studies programs

whose work intersects with issues of immigration

Utilitarianism - Ed. Heydt John Stuart Mill, 2010-08-06 John Stuart Mill's Utilitarianism is a philosophical defense of utilitarianism, a moral theory stating that right actions are those that tend to promote overall happiness. The essay first appeared as a series of articles published in Fraser's Magazine in 1861; the articles were collected and reprinted as a single book in 1863. Mill discusses utilitarianism in some of his other works, including *On Liberty* and *The Subjection of Women*, but *Utilitarianism* contains his only sustained defence of the theory. In this Broadview Edition, Colin Heydt provides a substantial introduction that will enable readers to understand better the polemical context for Utilitarianism. Heydt shows, for example, how Mill's moral philosophy grew out of political engagement rather than exclusively out of a speculative interest in determining the nature of morality. Appendices include precedents to Mill's work, reactions to Utilitarianism, and related writings by Mill.

This Is Political Philosophy Alex Tuckness, Clark Wolf, 2016-12-16 This is Political Philosophy is an accessible and well-balanced introduction to the main issues in political philosophy, written by an author team from the fields of both philosophy and politics. This text connects issues at the core of political philosophy with current live debates in policy, politics, and law, and addresses different ideals of political organization, such as democracy, liberty, equality, justice, and happiness. Written with great clarity, *This Is Political Philosophy* is accessible and engaging to those who have little or no prior knowledge of political philosophy and is supported with supplemental pedagogical and instructor material on the *This Is Philosophy* series site. Available at <https://www.wiley.com/en-us/thisisphilosophy+thisispoliticalphilosophy+an+introduction>

The Virtues Craig A. Boyd, Kevin Timpe, 2021 The nature of the virtues has a long tradition of thought, from Aristotle to Thomas Aquinas. This book considers the virtues in various cultural, religious, and philosophical contexts. Examining the key virtues and some of the vices, it explores the cultivation of the virtues as an alternative way of moral thinking.

Arguments for Liberty Aaron Ross Powell, Grant Babcock, 2016-12-06 Two schools of thought have long dominated libertarian discussions about ethics: utilitarianism and natural rights. Those two theories are important, but they're not the only ways people think about ethics and political philosophy. In *Arguments for Liberty*, you'll find a broader approach to libertarianism. In each of *Arguments for Liberty*'s nine chapters, a different political philosopher discusses how his or her preferred school of thought judges political institutions and why libertarianism best meets that standard. Though they end up in the same place, the paths they take diverge in fascinating ways. Readers will find in these pages not only an excellent introduction to libertarianism but also a primer on some of the most important political and ethical theories. Assuming little or no training in academic philosophy, the essays guide readers through a continuous moral conversation spanning centuries and continents, from Aristotle in ancient Athens to twentieth-century philosopher John Rawls in the halls of Harvard. What's the best political system? What standards should we use to decide, and why? *Arguments for Liberty* is a guide to thinking about these questions. It's also a powerful nine-fold argument for the goodness and importance of human liberty.

True to Our Feelings Robert C. Solomon, 2008-10-02 We live our lives through our

emotions writes Robert Solomon and it is our emotions that give our lives meaning What interests or fascinates us who we love what angers us what moves us what bores us all of this defines us gives us character constitutes who we are In *True to Our Feelings* Solomon illuminates the rich life of the emotions why we don't really understand them what they really are and how they make us human and give meaning to life Emotions have recently become a highly fashionable area of research in the sciences with brain imaging uncovering valuable clues as to how we experience our feelings But while Solomon provides a guide to this cutting edge research as well as to what others philosophers and psychologists have said on the subject he also emphasizes the personal and ethical character of our emotions He shows that emotions are not something that happen to us nor are they irrational in the literal sense rather they are judgements we make about the world and they are strategies for living in it Fear anger love guilt jealousy compassion they are all essential to our values to living happily healthily and well Solomon highlights some of the dramatic ways that emotions fit into our ethics and our sense of the good life how we can make our emotional lives more coherent with our values and be more true to our feelings and cultivate emotional integrity The story of our lives is the story of our passions We fall in love we are gripped by scientific curiosity and religious fervor we fear death and grieve for others we humble ourselves in envy jealousy and resentment In this remarkable book Robert Solomon shares his fascination with the emotions and illuminates our passions in an exciting new way

What Philosophy Can Do Gary Gutting, 2015-08-20 A brilliant demonstration of what philosophy can do and how it is essential to human integrity and identity Simon Critchley coeditor of *The Stone Reader* In *What Philosophy Can Do* Gary Gutting takes a philosopher's scalpel to modern life's biggest questions and the most powerful forces in our society politics science religion education and capitalism Along the way he introduces readers to powerful philosophical tools from inductive and deductive logic to the Principle of Charity which they can use to make better sense of current debates Interweaving his discussion of contemporary issues with philosophical concepts from Aristotle to Michel Foucault and John Rawls Gutting shows how philosophy can enrich public discussions about our most urgent issues

Rethinking Ourselves Anwar Ibrahim, 2025-10-02 A groundbreaking exploration of justice democracy and Islamophobia inviting us to reconsider our assumptions and build a more equitable future Change has run amok Technology advances by the minute and much of what we think we know about the world fades in front of our eyes How we are how we know how we live our daily lives all shifting quicker than we can cope with Anwar Ibrahim Malaysia's tenth Prime Minister asks how we might rethink ourselves for these confusing uncertain and volatile times and shape fairer more sustainable futures Anwar's passion is rooted in experience he spent in total over a decade behind bars after three separate miscarriages of justice from his days as a student activist to his time as Leader of the Opposition Alongside reflections on his time in prison are critical investigations into truth justice post colonialism Islamophobia democracy and global order Anwar assembles ideas from East and West North and South to explore how we can create a new inclusive synthesis for a good society and world Vividly expressed expertly dissected this is a timely book

for our turbulent age

The Utilitarianism Hackett Classics Introduction

In today's digital age, the availability of The Utilitarianism Hackett Classics books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Utilitarianism Hackett Classics books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Utilitarianism Hackett Classics books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Utilitarianism Hackett Classics versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Utilitarianism Hackett Classics books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Utilitarianism Hackett Classics books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Utilitarianism Hackett Classics books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Utilitarianism Hackett Classics books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Utilitarianism Hackett Classics books and manuals for download and embark on your journey of knowledge?

FAQs About The Utilitarianism Hackett Classics Books

1. Where can I buy The Utilitarianism Hackett Classics books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Utilitarianism Hackett Classics book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
