Screw Business As Usual Richard Branson,2017-04-04 From the trailblazing founder and CEO of the Virgin Group a powerful argument for using business to make a positive impact in the world Richard Branson one of the world s most famous and admired business leaders argues that it s time to turn capitalism upside down to shift our values from an exclusive focus on profit to also caring for people communities and the planet As he writes My message is a simple one business as usual isn t working In fact it s business as usual that s wrecking our planet Resources are being used up the air the sea the land are all heavily polluted The poor are getting poorer Many are dying of starvation or because they can t afford a dollar a day for life saving medicine Prophesying doom and gloom is simply not my style I think business can help fix things and create a more prosperous world for everyone I happen to believe in business because I believe that business can be a force for good By that I mean doing good is good for business *Screw Business as Usual* shows how easy it is for both businesses and individuals to embark on a whole new way of doing things solving major problems and turning our work into something we both love and are proud of

Corporate Cultures And Global Brands (Second Edition) Albrecht Rothacher,2025-05-28 This insightful volume covers the development of 19 prominent European American and Asian companies from their humble origins to their current status as global operators Each case study comprehensively reviews the changes in the company s corporate structure and the successes and failures of its marketing and branding strategies over time A wide range of business sectors is covered including food and drink retail apparel electronics aviation cars and entertainment Of prime importance for corporate survival and growth in all sectors and countries is the crucial shift from owner founder run companies to consolidated management led corporations The wide spectrum of sectors and countries of origin featured also permits valuable conclusions to be drawn on the persistence of distinctive national management styles and brand images This clearly proves that there are corporate limits to globalisation which companies implementing thoughtless cross national mergers ignore at their peril This second edition has been thoroughly updated and enlarged to cover the crucial and often dramatic corporate developments of the past two decades
