

A classical painting depicting a group of philosophers in a discussion. In the center, a man in a dark robe is seated and gesturing. To his left, a man in a yellow robe is seated and looking towards him. To the right, a man in a white robe is seated and looking towards the center. In the background, two more men are seated, one in a grey robe and one in a dark robe. The scene is set outdoors with a tree and a building in the background.

consistently proved the classic introduction to humanity s artistic heritage From our paleolithic past to our digitised present
every continent and culture is covered in an articulate and well balanced discussion In this Seventh Edition the text has been
revised to embrace developments in archaeology and art historical research while the renowned contemporary art historian
Michael Archer has greatly expanded the discussion of the past twenty years providing a new perspective on the latest
developments The insight elegance and fluency that the authors bring to their text are complemented by 1458 superb
illustrations half of which are now in colour These images together with the numerous maps and architectural plans have
been chosen to represent the most significant chronological regional and individual styles of artistic expression
