The Westminster Handbook To Patristic Theology:

The Westminster Handbook to Patristic Theology John Anthony McGuckin, 2004-01-01 The early centuries of the Christian era were marked by a variety of theological ideas in differing stages of development. Numerous theologians emerged with proposals about what the Christian church should believe and how theological ideas related to each other. Some of these theologians gained more prominent status and their ideas became sources on which others built. Patristic theology is thus a formative period, a yeasty time in which theological doctrines took on many stages of complexity. This outstanding handbook by a leading specialist in Patristic Theology provides students and scholars with easy access to key terms, figures, socio-cultural developments and controversies of this period extending to the ninth century. McGuckin's introductory essay outlines the main intellectual issues in the early church. His concluding Bibliographic Guide Essay and General Bibliography also features a Website Resources Guide to assist readers with additional ways to study this period. The entries are written to help those with no previous theological knowledge understand the major dimensions of each topic. The result is an eminently useful, reliable and unique resource.

The Westminster Handbook to Origen John Anthony McGuckin, 2004-01-01 This book provides ready access into and sure guidance through the marvelous, often convoluted, invariably rich world of Origen, the man, the ecclesiastical dynamics of his day, his extant works, the range of his theological explorations, his influence and the controversies associated with him in life and in death. Included are recommendations for use and clear presentation of topics which enable the reader, whether novice or specialist, to engage Origen in ways that address the reader's interest. The Westminster Handbook to Christian Theology series provides a set of resources for the study of historic and contemporary theological movements and Christian theologians. These books are intended to help students and scholars find concise and accurate treatments of important theological terms.

The Orthodox Church John Anthony McGuckin, 2010-12-13 This important work offers the most comprehensive and up to date account of the Orthodox Church available, providing a detailed account of its historical development as well as exploring Orthodox theology and culture. Written by one of the leading Orthodox historians and theologians in the English speaking world, it offers an in-depth engagement with the issues surrounding Orthodoxy's relationship to the modern world, including political, cultural and ethical debates. It considers the belief, tradition, spirituality, liturgical diversity and Biblical heritage of the Eastern Churches, their endurance of oppressions and totalitarianisms, and their contemporary need to rediscover their voice and confidence in a new world order. Recipient of a CHOICE Outstanding Academic Title for 2009 award.

Genesis and Cosmos Adam Rasmussen, 2019-03-25 In *Genesis and Cosmos*, Adam Rasmussen examines how Basil and Origen addressed scientific problems in their interpretations of Genesis 1. For the first time, he offers an in-depth analysis of Basil's thinking on three problems in Scripture and science: the nature of matter, the super-heavenly water, and astrology. Both theologians worked from the same fundamental perspective: that science is the servant of Christianity, useful yet subordinate. Rasmussen convincingly shows how Basil used Origen's writings to

construct his own solutions Only on the question of the water does Basil break with Origen who allegorized the water Rasmussen demonstrates how they sought to integrate science and Scripture and thus remain instructive for those engaged in the dialogue between religion and science today

Imagining the Death of Jesus in Fourth-Century Mesopotamia Blake Hartung,2023-10-09 In this volume Blake Hartung explores the place of the passion and death of Jesus in the writings of Ephrem of Nisibis ca 307 373 The book argues that the genre of Ephrem's works usually short poems for public performance is key to understanding his unsystematic approach Ephrem drew widely upon the Passion narratives and traditional motifs related to Christ's death and deployed them differently in distinct settings Each chapter explores a key theme in Ephrem's discourse about the death of Christ in context including anti Judaism the defeat of death and economic imagery Ultimately Hartung urges further consideration of the role of Christ's death in early Christian thought and practice beyond the traditional confines of atonement theology

Partakers of the Divine Nature Michael J. Christensen,Jeffery A. Wittung,2008-02 Scholars from around the world offer a comprehensive ecumenical survey of the history and development of deification

Technē Gerald Hiestand,Todd A. Wilson,2022-11-18 Christians have an increasingly complex and often conflicted relationship with technology As Genesis 1 succinctly and profoundly declares God created humanity in his image and as part of that vocation we are called to make something of the world Technology is one of the most important and powerful ways that human beings exercise this dominion But while technology can extend our humanity in powerful and exciting ways many of us feel that it can compromise or fracture our humanity at its core As a result questions quickly emerge What does it mean to be human How does our creation in the image of God affect the way we use design and understand technology Should our general posture toward technology be cautious or optimistic This collection of scholarly and pastoral essays drawn from the 2019 annual theology conference of the Center for Pastor Theologians offers substantive Christian reflection on a wide range of issues pertinent to a distinctly Christian vision of technology today and in the future

Worshipping with the Church Fathers Christopher A. Hall,2010-03-18 Christopher Hall invites us to accompany the church fathers as they enter the sanctuary for worship and the chapel for prayer He also takes us to the wilderness where we learn from the early monastics as they draw close to God in their solitary discipline Readers will enjoy a rich and rare schooling in developing their spiritual life in this unique survey of the life of worship from the perspective of the early Church

Eastern Orthodox Christianity Bryn Geffert,Theofanis G. Stavrou,2016-05-28 Two leading academic scholars offer the first comprehensive source reader on the Eastern Orthodox church for the English speaking world Designed specifically for students and accessible to readers with little or no previous knowledge of theology or religious history this essential one of a kind work frames explores and interprets Eastern Orthodoxy through the use of primary sources and documents Lively introductions and short narratives that touch on anthropology art law literature music politics women's studies and a host of other areas are woven together to provide a coherent and fascinating history of the Eastern Orthodox Christian tradition

Glory to the Three Eternal Michael A. G. Haykin, Roy M. Paul, Jeongmo Yoo, 2019-08-29 This is the first critical study of the writings of the English Particular Baptist Benjamin Beddome 1718 1795 whose evangelical ministry stretched over the last half of the eighteenth century Best known in the years following his death as a capable hymn writer he was also a significant doctrinal preacher John Newton who had heard such preachers as John Wesley and George Whitefield considered Beddome one of the finest preachers of his day The articles in this critical study examine his sermons to delineate Beddome s view of God Christ and the Holy Spirit as well as his position on the free offer of the gospel a central issue among the Particular Baptists of his day His important contribution to Christian hymnody is also detailed A must read for those interested in eighteenth century evangelical thought

We Believe in the Holy Spirit Joel C. Elowsky, 2009-07-13 This volume offers patristic comment on the first half of the third article of the Nicene Creed Readers will gain insight into the history and substance of what the early church believed about the Holy Spirit and his work

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Empire Baptized Howard-Brook, Wes, 2016-09-15 Through a study of the early church this book shows how Christianity in effect opted for the religion of empire shifting the emphasis of Jesus s prophetic message from transforming the world to the aim of saving one s soul

God the Peacemaker Graham Cole, 2009-12-10 What does God intend for his broken creation In this New Studies in Biblical Theology volume Graham A Cole seeks to answer this question by setting the atoning work of the cross in the broad framework of God s grand plan to restore the created order and places the story of Jesus his cross and empty tomb within it

The End of the Timeless God R. T. Mullins, 2016-01-07 The claim that God is timeless has been the majority view throughout church history However it is not obvious that divine timelessness is compatible with fundamental Christian doctrines such as creation and incarnation Theologians have long been aware of the conflict between divine timelessness and

Christian doctrine and various solutions to these conflicts have been developed In contemporary thought it is widely agreed that new theories on the nature of time can further help solve these conflicts Do these solutions actually solve the conflict Can the Christian God be timeless The End of the Timeless God sets forth a thorough investigation into the Christian understanding of God and the God world relationship It argues that the Christian God cannot be timeless *Wading Through Many Voices* Harold Recinos, 2011-04-16 *Wading through Many Voices* brings together the voices of Latino a African American Asian American Native American and Euro American scholars to produce a dialogue of public theology how faith communities divided by race class ethnicity and gender can find a common ground for life together The authors articulate a multiethnic perspective on public theology that counters the divisive identity politics of U S public life with systematic thinking that strengthens the commitment to critically transform social relations in light of a shared vision of public good The contributors develop a shared public theology that addresses social divisions while offering readers a broad vision to collaborate and struggle for an improved understanding of the common good for our pluralistic society In light of emerging social issues the contributors suggest that a fundamental respect for difference is a required first value for living together in a common social and political space *Exotheology* Joel L. Parkyn, 2023-08-31 Since antiquity theology has frequently gone hand in hand with the study of the heavens Speculation regarding the plurality of worlds and the possibility of intelligent life beyond Earth has posed questions for and been stimulated by Christian theology Advancements in astronomy and astrophysics now reveal a vast universe containing trillions of galaxies Each new exoplanet discovered brings with it a new context in which to consider the place of humanity and the role of divinity in relation to creatures In particular the Christian doctrines of the incarnation and redemption must be understood afresh in light of the likelihood of extraterrestrial life In *Exotheology* Joel L. Parkyn examines the twin historic developments in scientific and theological thought on extraterrestrials from antiquity to the twenty first century In doing so he demonstrates a consistent pattern of theological formulations that allow for a distinct relation between Christianity and extraterrestrial life but this has so far been without sufficient resolution Applying concepts from anthropology psychology and sociology to putative extraterrestrials he explores in new depth the implications of contact and argues for a divine pedagogy of potential modalities of supernatural presence and action with extraterrestrial intelligences **Communion with the Triune God (Foreword by Kevin J. Vanhoozer)** John Owen, 2007-09-27 Does it make a difference that the God Christians claim to worship has revealed himself as triune the Father Son and Holy Spirit Does this fundamental truth of biblical authority have an effect on a believer s personal fellowship with God Puritan theologian John Owen recognized the great need for every believer to understand the triune God *Communion with the Triune God* revisits the truth presented by John Owen and challenges all believers to truly recognize and appreciate the ministry that God the Father God the Son and God the Holy Spirit have in their lives This work of John Owen encourages Christians to enjoy true communion with each person of the triune God *Identity and Idolatry* Richard

Lints,2015-08-10 In this New Studies in Biblical Theology volume Richard Lints argues that idol language in the Bible is a conceptual inversion of the image language of Genesis 1 He shows how the narrative of human identity runs from creation to fall to redemption in Christ and examines the recent renaissance of interest in idolatry with its conceptual power to explain the culture of desire God Incarnate Oliver D. Crisp,2009-10-06 Oliver Crisp examines the doctrine of the incarnation as one of the central and defining dogmas of the Christian faith

Reviewing **The Westminster Handbook To Patristic Theology**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing.
