The Whistleblower Affair A City Of London Banker Lies Once Too Often:

The Whistleblower Affair Jonathan Veale, 2015-07-17 Jonathan Veale author of the most successful *The Carcassonne Affair* now turns his attention to the attitudes of the disreputable bankers who brought the British economy close to collapse in 2008. A Whistleblower Reveals Disgraceful Boardroom Behaviour Within City of London Banks. When British financial journalist Jordan O Driscoll meets a high ranking banker he senses he has information that could bring a powerful worldwide bank crashing down Hong Kong Barcelona and the City of London. The crisis that is explored in this gripping story is prompted by misconduct in Asia but the dozy bank Directors in London chose to look the other way and pocket ever bigger salaries and bonuses. Chased by the Press Hounds. The rampant UK press seek to reveal the whistleblower when fed scurrilous information by the unscrupulous director whose past behaviour which amounts to corporate crime threatens to bring him down. The eventual publicity rebounds on the bank with dreadful consequences. Romances within a Murky World. Not everyone is corrupted by greed and some realise this is a genuine banking crisis. New directors are brought in to bring sanity and proper behaviour to bear on a rotten culture. Human frailties are exposed and relationships inside and outside this shadowy world are jeopardised. *The Wall Street Journal*, 1993 *Wall Street Journal Index*, 1993 *The Whistleblower Affair* Jonathan Veale, 2014-07-24. A Whistleblower calls time on banking's corporate greed. When City of London financial journalist Jordan O Driscoll meets his informant for the first time he immediately realises he has information that could bring one of the world's major banks to its knees Hong Kong Catalonia and the City of London. The crisis at the heart of this story was prompted by misconduct in Asia but the directors in the City of London choose to disregard evidence in favour of climbing the corporate ladder pocketing ever larger salaries and bonuses on the way. The action takes place in Europe and Asia where expats flourish within the finance communities. Hounded by the Press. When the excitable UK press hounds seek to expose the whistleblower they are fed scurrilous information by a bank director whose past misdeeds which amount to corporate crime at the highest level threatens to end his career. The resultant publicity rebounds on the bank with devastating consequences. Romances within a Murky World. Not all involved are corrupted by greed and some recognise this is a real banking crisis. New directors are appointed to bring sanity and ethical behaviour to bear on a rotten culture. Human frailties are exposed and relationships inside and outside the world of finance are reassessed. A fascinating read reflecting a banking world that may be closer to the truth than we all realise.
