A Duty of Care Peter Hennessy,2022-03-03 One of our most celebrated historians shows how we can use the lessons of the past to build a new post covid society in Britain The duty of care which the state owes to its citizens is a phrase much used but what has it actually meant in Britain historically And what should it mean in the future once the immediate Covid crisis has passed In **A Duty of Care** Peter Hennessy divides post war British history into BC before covid and AC after covid He looks back to Sir William Beveridge s classic identification of the five giants against which society had to battle want disease ignorance squalor and idleness and

laid the foundations for the modern welfare state in his wartime report He examines the steady assault on the giants by successive post war governments and asks what the comparable giants are now He lays out the road to 2045 with a new Beveridge to build a consensus for post covid Britain with the ambition and on the scale that was achieved by the first
