Penguin Classics Introduction to The Wings of the Dove by Henry James (Penguin Classics) John Bayley, 2003 [Wings of the Dove](#) Henry James, 2021-09-13 *Wings of the Dove* Henry James The *Wings of the Dove* is a 1902 novel by Henry James. It tells the story of Milly Theale, an American heiress stricken with a serious disease, and her effect on the people around her. Some of these people befriend Milly with honourable motives, while others are more self-interested. *The Wings of the Dove (Annotated - Includes Essay and Biography)* Henry James, 2013-11-19 The heroine of *The Wings of a Dove* is Milly, an extremely rich American girl who has been left with no living relatives. She spends much of her time with friend and fellow traveler Susan Shepherd Stringham, and together they become part of the social circle of Maud Lowder, a friend of Susan's who lives in London. Milly and Susan are not introduced to the readers until the third chapter. The first two chapters are taken up with Kate Croy, who is Mrs Lowder's niece, and Merton Densher, a journalist whom Kate is in love with. **The Wings of the Dove** Henry James, 2003-06-26 Beautiful Kate Croy may have been left penniless by her relatives, but her bold, ambitious nature ensures she will not succumb meekly to a life of poverty. If the financial circumstances of Merton Densher, the man she is passionately in love with, are not sufficient to secure her future, perhaps her cunning will. So when Milly Theale arrives in Europe from America, laden with wealth but also gravely ill, Kate sees an opportunity to exploit her vulnerability and devises a plan that will see her and Merton financially provided for. Her scheming is flawed, though, for it fails to take into account the inconstancies of the human heart. John Bayley's introduction examines the novel in the context of James's other late great works. *The Wings of the Dove* Henry James, 2012-01 Unlike some other reproductions of classic texts, 1. We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. 2. In books where there are images such as portraits, maps, sketches, etc., we have endeavoured to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy. **The Wings of the Dove, Volume II, by Henry James (Penguin Classics)** Henry James, 2016-04-19 *The Wings of the Dove* is a 1902 novel by Henry James. This novel tells the story of Milly Theale, an American heiress stricken with a serious disease, and her effect on the people around her. Some of these people befriend Milly with honorable motives, while others are more self-interested. Kate Croy and Merton Densher are two betrothed Londoners who desperately want to marry but have very little money. Kate is constantly put upon by family troubles and is now living with her domineering aunt Maud Lowder. Into their world comes Milly Theale, an enormously rich young American woman who had previously met and fallen in love with Densher, although she has never revealed her feelings. Her travelling companion and confidante Mrs Stringham is an old friend of Maud. Kate and Aunt Maud welcome Milly to London, and the American heiress enjoys great social success. With Kate as a companion, Milly goes to see an eminent physician, Sir Luke Strett, because she worries that she is suffering from an incurable disease. The doctor is noncommittal, but

Milly fears the worst Kate suspects that Milly is deathly ill After the trip to America where he had met Milly Densher returns to find the heiress in London Kate wants Densher to pay as much attention as possible to Milly though at first he doesn't quite know why Kate has been careful to conceal from Milly and everybody else that she and Densher are engaged With the threat of serious illness hanging over her Milly decides to travel to Venice with Mrs Stringham Aunt Maud Kate and Densher follow her At a party Milly gives in her Venice palazzo the older Palazzo Barbaro called Palazzo Leporelli in the novel Kate finally reveals her complete plan to Densher he is to marry Milly so that after her presumably soon to occur death he will inherit the money they can marry on Densher had suspected this was Kate's idea and he demands that she consummate their affair before he will go along with her plan Aunt Maud and Kate return to London while Densher remains with Milly Unfortunately the dying girl learns from a former suitor of Kate's about the plot to get her money She withdraws from Densher and her condition deteriorates Densher sees her one last time before he leaves for London where he eventually receives news of Milly's death Milly does leave him a large amount of money despite everything But Densher does not accept the money and he will not marry Kate unless she also refuses the bequest Conversely if Kate chooses the money instead of him Densher offers to make the bequest over to her in full The lovers part on the novel's final page with a cryptic exclamation from Kate We shall never be again as we were

[The Wings of the Dove](#) Henry James, 2018-07-13 *The Wings of the Dove* by Henry James Of the three late masterpieces that crown the extraordinary literary achievement of Henry James *The Wings of the Dove* is at once the most personal and the most elemental James drew on the memory of a beloved cousin who died young to create one of the three central characters Milly Theale an heiress with a short time to live and a passion for experiencing life to its fullest To the creation of the other two Merton Densher and the magnificent predatory Kate Croy who conspire in an act of deceit and betrayal he brought a lifetime s distilled wisdom about the frailty of the human soul when it is trapped in the depths of need and desire And he brought to the drama that unites these three characters in the drawing rooms of London and on the storm lit piazzas of Venice a starkness and classical purity almost unprecedented in his work Under its brilliant coruscating surfaces beyond the scrim of its marvellous rhetorical and psychological devices *The Wings of the Dove* offers an unfettered vision of our civilization and its discontents It represents a culmination of James art and as such of the art of the novel itself We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
