change basic sexual customs As the centuries since have shown escalating levels both of violence general and sexual and of state control the witchcraze can be considered a portent even a model of some aspects of what modern Europe would be like Over three centuries approximately one hundred thousand persons most of whom were women were put to death under the guise of witch hunts particularly in Reformation Europe The shocking annihilation of women from all walks of life is explored in this brilliant authoritative feminist history Anne Llwellyn Barstow Barstow exposes an unrecognized holocaust the ethnic cleansing of independent women in Reformation Europe and examines the residual attitudes that continue to influence our culture Barstow argues that it is only with eyes sensitive to gender issues that we can discern what really happened in the persecution and murder of these women Her sweeping chronicle examines the scapegoating of women from the ills of society investigates how their subjugation to sexual violence and death sent a message of control to all women and compares this persecution of women with the enslavement and slaughter of African slaves and Native Americans Ultimately Barstow traces the current backlash against women to its gynophobic torture filled origins In the process she leaves an indelible mark on our growing understanding of the legacy of violence against women around the world Witches Nigel Cawthorne,2019-11-07 When bigotry and power mania take control disaster always follows for subjugated persons even when the power is wielded by the Church Witchcraft was viewed as devil worship Between 1450 and 1750 one hundred thousand people were accused subject to the most bestial tortures and usually executed Witches examines the wildfire spread of witch hunting across Europe and America revealing the disturbing and brutal realities of these witch hunts and their roots in misogyny and religious persecution It includes Letters and trial testimonies from those charged with witchcraft as well as some from self proclaimed witches Biographic detail of key witch hunters such as Matthew Hopkins the so called Witchfinder General who was responsible for hundreds of executions Accounts of famous witch trials from Chelmsford to Salem Nigel Cawthorne doesn't shy away from the violent details of this persecution exploring the events as they transpired the contexts that triggered them and tracing it back to its source Please note This title contains descriptions of a violent and sexual nature and is not intended for younger readers Discretion is advised **History's Witches** Lisa Graves,2013-09-10 Profiles of thirteen women accused of and bullied for being witches including Joan of Arc Eleanor of Aquitaine Saint Catherine of Siena and Anne Boleyn They dared to stand up to kings Think for themselves Even practice medicine and what was their reward To be labeled a witch This illustrated guide of the witches of history explores the lives of thirteen different women who were falsely accused of witchcraft Using an infographic style History's Witches will fascinate middle graders through teens with the rich history of accusing women of witchcraft History's Witches contains many invaluable lessons not the least of which is that strong intelligent and passionate women may be called names but they can't be held back It's a great read for women of any age and proof that history can be rewritten Dr Lois P Frankel New York Times bestselling author of Nice Girls Don't Get Rich History's Witches takes the notion that the past is boring and colorless and infuses it with character wit and magic Lisa
