

THE WOMAN IN THE BODY

A Cultural Analysis of Reproduction
With a New Preface

Emily Martin

"Spectacular. There is no better study of the power of metaphor
in modern medicine." —Thomas M. Laqueur, author of *Making Sex*

The Woman In The Body A Cultural Analysis Of Reproduction

**Susan Bewley, William
Ledger, Dimitrios Nikolaou**

The Woman In The Body A Cultural Analysis Of Reproduction:

The Woman in the Body Emily Martin, 2001-08-01 A bold reappraisal of science and society The Woman in the Body explores the different ways that women's reproduction is seen in American culture Contrasting the views of medical science with those of ordinary women from diverse social and economic backgrounds anthropologist Emily Martin presents unique fieldwork on American culture and uncovers the metaphors of economy and alienation that pervade women's imaging of themselves and their bodies A new preface examines some of the latest medical ideas about women's reproductive cycles

The Woman in the Body Emily Martin, 1987 A bold reappraisal of science and society The Woman in the Body explores the different ways that women's reproduction is seen in American culture Contrasting the views of medical science with those of ordinary women from diverse social and economic backgrounds anthropologist Emily Martin presents unique fieldwork on American culture and uncovers the metaphors of economy and alienation that pervade women's imaging of themselves and their bodies A new preface examines some of the latest medical ideas about women's reproductive cycles

The Woman in the Body Emily Martin, 1989 A bold reappraisal of science and society The Woman in the Body explores the different ways that women's reproduction is seen in American culture Contrasting the views of medical science with those of ordinary women from diverse social and economic backgrounds anthropologist Emily Martin presents unique fieldwork on American culture and uncovers the metaphors of economy and alienation that pervade women's imaging of themselves and their bodies A new preface examines some of the latest medical ideas about women's reproductive cycles

The Woman in the Body, 1993 **The Woman in the Body** Emily Martin (anthropologue)., 2001 *Reproducing the Womb* Alice Elaine Adams, 1994 Alice E Adams crafts a subtle new response to the controversies surrounding reproductive freedom and the implications of medical technology She explores a spectrum of competing visions of childbearing from misogynistic nightmares of matriarchal control to feminist utopias Firmly rooted in political reality Adams offers innovative answers to the questions posed by the intimate interconnections and the perceived conflicts between fetus and mother individual and collective

Making 'Postmodern' Mothers M. Nash, 2012-11-14 Based on interviews with pregnant women this book provides a multi disciplinary empirical account of pregnant embodiment and how it relates to wider sociological and feminist discourses about gender bodies fitness fat celebrity and motherhood

A Centre of Wonders Janet Moore Lindman, Michele Lise Tarter, 2018-05-31 Images of bodies and bodily practices abound in early America from spirit possession Fasting Days and infanticide to running the gauntlet going naked as a sign flogging bundling and scalping All have implications for the study of gender sexuality masculinity illness the body politic spirituality race and slavery The first book devoted solely to the history and theory of the body in early American cultural studies brings together authors representing diverse academic disciplines Drawing on a wide range of archival sources including itinerant ministers journals Revolutionary tracts and broadsides advice manuals and household inventories they approach the theoretical analysis of the body in exciting new ways

A Centre of Wonders covers such varied topics as dance and movement among Native Americans invading witch bodies in architecture and household spaces rituals of baptism conversion and church discipline eighteenth century women s journaling and the body as a rhetorical device in the language of diplomacy *Why Yemen Matters* Helen

Lackner,2014-06-26 In November 2011 an agreement brokered by the GCC brought an end to Yemen s tumultuous uprising The National Dialogue Conference has opened a window of opportunity for change bringing Yemen s main political forces together with groups that were politically marginalized Yet the risk of collapse is serious and if Yemen is to remain a viable state it must address numerous political social and economic challenges In this invaluable volume experts with extensive Yemen experience provide innovative analysis of the country s major crises centralized governance the role of the military ethnic conflict separatism Islamism foreign intervention water scarcity and economic development This is essential reading for academics journalists development workers diplomats politicians and students alike *Medicine as Culture* Deborah

Lupton,2012-03-22 Lupton s newest edition of *Medicine as Culture* is more relevant than ever Trudy Rudge Professor of Nursing University of Sydney A welcome update of a text that has become a mainstay of the medical sociologist s library Alan Radley Emeritus Professor of Social Psychology Loughborough University *Medicine as Culture* introduces students to a broad range of cross disciplinary theoretical perspectives using examples that emphasize bodies and visual images Lupton s core contrast between lay perspectives on illness and medical power is a useful beginning point for courses teaching health and illness from a socio cultural perspective Arthur Frank Department of Sociology University of Calgary *Medicine as Culture* is unlike any other sociological text on health and medicine It combines perspectives drawn from a wide variety of disciplines including sociology anthropology social history cultural geography and media and cultural studies The book explores the ways in which medicine and health care are sociocultural constructions ranging from popular media and elite cultural representations of illness to the power dynamics of the doctor patient relationship The Third Edition has been updated to cover new areas of interest including studies of space and place in relation to the body actor network theory as it is applied in research related to medicine The internet and social media and how they contribute to lay health knowledge and patient support complementary and alternative medicine obesity and fat politics Contextualising introductions and discussion points in every chapter makes *Medicine as Culture* Third Edition a rigorous yet accessible text for students Deborah Lupton is an independent sociologist and Honorary Associate in the Department of Sociology and Social Policy University of Sydney A

Companion to the Anthropology of the Body and Embodiment Frances E. Mascia-Lees,2011-03-29 A Companion to the Anthropology of the Body and Embodiment offers original essays that examine historical and contemporary approaches to conceptualizations of the body In this ground breaking work on the body and embodiment the latest scholarship from anthropology and related social science fields is presented providing new insights on body politics and the experience of the body Original chapters cover historical and contemporary approaches and highlight new research frameworks Reflects the

increasing importance of embodiment and its ethnographic contexts within anthropology Highlights the increasing emphasis on examining the production of scientific technological and medical expertise in studying bodies and embodiment **Body Talk** Jacquelyn N. Zita,1998 In this book Jacquelyn N Zita questions the assumptions of heterosexual society queer theory postmodernism and lesbian feminism in order to investigate the relationship between power knowledge identity formation and the body **Reproductive Agency, Medicine and the State** Maya Unnithan-Kumar,2005-11 Recent years have seen many changes in human reproduction resulting from state and medical interventions in childbearing processes Based on empirical work in a variety of societies and countries this volume considers the relationship between reproductive processes of fertility pregnancy childbirth and the postpartum period on the one hand and attitudes medical technologies and state health policies in diverse cultural contexts on the other *Governing the Female Body* Lori Reed,Paula Saukko,2012-02-01 Drawing on Foucault s notion of governmentality this collection explores relations between the intimate governance of bodies and political governance The contributors offer empirically grounded yet theoretically sophisticated case studies showing how gendered racialized and socioeconomic agendas structure medical and scientific practices Developing and utilizing a poststructuralist feminist framework the chapters investigate emerging gendered discourses and practices around health such as breast cancer charities lifestyle genetic testing new reproductive technologies and the development and marketing of various psychotropic and hormonal drugs This will be a key reader for anyone interested in the social implications of cutting edge medical technologies *Birth and Birthgivers* Janet Chawla,2006 This volume presents varied essays exploring women s voices agencies and aesthetics in the traditional handling of childbearing Ayurveda as it comprehends reproduction soharis birth songs birth narratives cord cutters dais knowledge and compensation systems as well as analyses of biomedical dominance and erasure of indigenous knowledge all provide a peek behind the purdah in this critical reclamation of tradition **Reproductive Ageing** Susan Bewley,William Ledger,Dimitrios Nikolaou,2009-06-01 Reproductive ageing affects both individuals and wider society and obstetricians and gynaecologists are witness to the impact of reproductive ageing and to some of the fears and misapprehensions of the general public This book raises awareness of societal trends and their implications The wider importance of the subject to the whole of society is emphasized by contributions from outside the world of obstetrics and gynaecology both within and outside medicine The 56th RCOG Study Group brought together a range of experts to examine reproductive ageing This book presents the findings of the Study Group with sections covering background to ageing and demographics basic science of reproductive ageing pregnancy the ageing mother and medical needs the outcomes children and mothers future fertility insurance screening cryopreservation or egg donors sex beyond and after fertility fertility treatment science and reality the NHS and the market the future dreams and waking up Birthing a Mother Elly Teman,2010 This is an ethnography which probes the intimate experience of gestational surrogate motherhood Teman shows how surrogates and intended mothers carefully negotiate their cooperative endeavour *Beauty,*

Women's Bodies and the Law Jocelynn A. Scutt, 2020-11-17 What makes a woman's body beautiful Plastic surgery cosmetic surgery and non surgical interventions such as Botox are changing women's bodies physically and affecting cultural notions and expectations of what it means to be a woman Yet where does the law stand Is the renovation of women's bodies legal This book explores a range of topics including whether shape changing by surgical and non surgical means is really what women want the question of legal intervention when operations injections and other methods go wrong the impact of consent determinations on whether women can or cannot freely seek changes to their body structure and the role which culture and social expectations play in women's decision making Taking a legal perspective on the vast range of beauty interventions available to women Scutt discusses women's perceptions of body and beauty pressures on women to conform to idealised notions of the perfect woman's body and outcomes of legal actions including those taken by individual women who are unhappy with results as well as those launched against companies trading in products advertised as safe and for women's benefit *Beauty Women's Bodies and the Law* will appeal to readers with an interest in women's and gender studies law and cultural studies

The Sociology of the Body Kate Cregan, 2006-03-31 Through a provocative analysis this book contextualizes explicates and critically analyses the work of those key theorists and texts that have been most influential in refocusing our gaze on human embodiment Upon this foundation the author builds her own distinctive theoretical framework towards the analysis of embodiment This is a valuable addition to the field of body studies Chris Shilling University of Kent Over the last 20 years the social sciences have witnessed a remarkable inter disciplinary surge of interest in the body The latter is now recognized as a core concept and is the subject of intensive study at undergraduate and postgraduate levels But how can we map this work What are the contributions and differences of the various approaches This lucid and authoritative text Provides a critical evaluation of the work of Elias Aries Foucault Bourdieu Mary Douglas Kristeva Butler Haraway and Bordo Guides the reader through the inter disciplinary influence of these ideas Gives a clear and compelling analysis of the significance of the turn towards the body Explains the complex way in which embodiment is formed across different social formations Clearly organized and powerfully expressed the book provides the best available guide to the turn to the body in the social sciences

Feminist Perspectives on the Body Barbara Brook, 2014-06-11 *Feminist Perspectives on the Body* provides an accessible introduction to this extremely popular new area and is aimed at students from a variety of disciplines who are interested in gaining an understanding of the key issues involved The author explores many important topics including the Western world's construction of the body as a theoretical philosophical and political concept the body and reproduction medicalisation cosmetic surgery and eating disorders the body in performance the private and the public body working bodies and new ways of thinking about the body

The Woman In The Body A Cultural Analysis Of Reproduction Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Woman In The Body A Cultural Analysis Of Reproduction PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Woman In The Body A Cultural Analysis Of Reproduction PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Woman In The Body A Cultural Analysis Of Reproduction free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Woman In The Body A Cultural Analysis Of Reproduction Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
