The Solitudes of Nature and of Man William Rounseville Alger,2021-10-29 Reprint of the original first published in 1867

Solitude's Sonata Kate,2024-05-19 Solitude a silent stream flowing from the spring of birth to the ocean of death carves its path through the landscape of life It is a presence in itself a fullness that accompanies each individual from the beginning to the end a silent partner in the dance of life In the cradle of infancy solitude is a soft whisper a lullaby for the dreaming mind where the touch of others is a distant shore As the individual grows solitude becomes a playground of imagination where castles are built from silence and stories spun from stillness Through the tumultuous years of youth solitude is a refuge a place to retreat from the cacophony of growing pains and the clamor of finding one s place in the crowd It is in these quiet moments that the self takes shape molded by reflection and introspection In the fullness of adulthood solitude is a rare gem often buried beneath the debris of daily life Yet it is sought after a momentary pause in the relentless march of responsibilities a breath of space where the self can expand and contract in its own rhythm As the twilight of life approaches solitude returns like an old friend its presence more profound and comforting It is a time of reckoning of looking back on the paths taken and not taken and of finding peace in the life that was lived And at the end when the curtain falls solitude is there a faithful witness to the final act It is both the last goodbye and the first greeting as the individual steps through the threshold from one mystery into another Solitude is not merely the absence of others Integrity ,1954 **The ABC of**

With uncommon insight The Sage's Way uses the tradition of Oriental wisdom to explore such common subjects as acceptance patience power self grace grief and laughter Think of its Prologue and 64 Chapters as the Eastern philosophical equivalent of Kahlil Gibran's The Prophet Each chapter is composed of a teaching and a commentary The teachings from a mysterious sage of Mount Shan are concise and dense somewhat like the enigmatic pronouncements that might come from a reclusive mystic The commentaries offered by Old Shu a remarkable hunchback living a life of contented simplicity are wonderfully sensible and wise somewhat like our own deepest awareness when we are introspective honest trusting and intuitive The Sage's Way leads readers toward an awareness that will inspire inner strength and quiet serenity This is the best of Oriental wisdom the essence of both Taoism and Zen presented with a grounded clarity that is both deeply challenging and elegantly simple As such this book is likely to become a lifetime companion offering day to day guidance while providing poignant readings for special occasions Author of internationally sold books The Tao of Relationships The Tao of Being The Tao of Sailing Zen Brushpoems The Tao of Zen The New Lao Tzu Ray Grigg is eminently qualified to offer this work to those who are seeking a balanced and harmonious way through the sometimes bewildering challenges of ordinary life A Lexical Concordance to the Poetical Works of Percy Bysshe Shelley Frederick Startridge Ellis, 1892
