*A Biblical Study of the Deity of Jesus Christ* Robert Gromacki, 2008-11 Beginning with a fundamental doctrinal summary of the Trinity Gromacki then considers the primary passages in both Testaments that present the virgin birth and the deity of Christ He works through problem texts and supplies plausible alternatives where evangelicals differ topics addressed in the book include the Two Gospel accounts of the virgin birth Matthew and Luke popular misconceptions about the virgin birth physical and biological implications of the virgin birth and the so called parallels to the virgin birth in pagan literature

**The Virgin Birth of Christ** James Orr, 1907 The aim of the lectures is to establish faith in the miracle of the Lord's Incarnation by Birth from the Virgin to meet objections and to show the intimate connection of fact and doctrine in this transcendent mystery Preface The Virgin Birth of Christ Francis Scott Mackenzie, 1916 At a comparatively early date in the history of the Christian church it was made a part of the creed to which every believer was required to subscribe that

Jesus Christ was born of the Virgin Mary The reason for this was of course the fact that the doctrine had scriptural authority Of the four gospels which were accepted by the church as true accounts of the events recorded therein the two which gave any account of the birth of Jesus at all represented Him as being born of a virgin There was no difficulty whatever at that time in accepting such a story as literally true **The Historical Evidence for the Virgin Birth** Vincent Taylor, 1920

**The Virgin Birth of Jesus Christ** Hubert Vecchierello, 1932 *The Case for the Virgin Birth of Christ* Chester Tulga, 1981 Belief in the virgin birth of Christ has always been an integral part of the faith of Christendom This book is a fascinating study on the doctrine of the virgin birth of Jesus Christ as found in the Word of God **The Virgin Birth of Christ** William F.E. Mahoney, 2012 Indicating the mysterious and unparalleled manner in which the Incarnation was fundamentally realized the Apostolic Symbol declares who was conceived by the Holy Spirit and born of the Virgin Mary This profession of faith recognizes that Christ was both conceived and born in a virginal way Throughout the ages this truth of faith has been the object of much commentary and often controversy In this modern age Christ's virgin birth has likewise been the object of many controversies This book critically analyzes these showing their strengths and weaknesses and contextualizing the circumstances in which various controversies have emerged as they involve an array of different disciplines such as biology history and various branches of philosophy and theology The Virgin Birth of Christ is an excellent resource for reviewing the contemporary controversial literature surrounding this topic as well as providing fresh insights along with modern magisterial documents in response to these contemporary debates **The Virgin Birth Of Christ** Orr James, 2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Virgin Birth of Christ** James Orr, 1912 **The Virgin Birth of Christ** Victor Leuliette, Paul Lobstein, 2016-05-22 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the
