Kraszewski All of the plays centre on Wawel Hill the legendary seat of royal and ecclesiastical power in the poet's native city the ancient capital of Poland In these plays Wyspiański explores the foundational myths of his nation that of the self-sacrificial Wanda and the struggle between King Bolesław the Bold and Bishop Stanisław Szczępanowski In the eponymous play which brings the cycle to an end Wyspiański carefully considers the value of myth to a nation without political autonomy soaring in thought into an apocalyptic vision of the future Richly illustrated with the poet's artwork *Acropolis* the Wawel Plays also contains Wyspiański's architectural proposal for the renovation of Wawel Hill and a detailed critical introduction by the translator In its plaited presentation of Bolesław the Bold and Skałka the translation offers for the first time the two plays in the unified composite format that the poet intended but was prevented from carrying out by his untimely death **The Werewolf Filmography** Bryan Senn,2017-02-06 From the horrific to the heroic cinematic werewolves are metaphors for our savage nature symbolizing the secret bestial side of humanity that hides beneath our civilized veneer Examining acknowledged classics like *The Wolf Man* 1941 and *The Howling* 1981 as well as overlooked gems like *Dog Soldiers* 2011 this comprehensive filmography covers the highs and lows of the genre Information is provided on production cast and filmmakers along with critical discussion of the tropes and underlying themes that make the werewolf a terrifying but fascinating figure [Global Legends and Lore](#) Adelaide Bennett,2015-02-03 They are everywhere Rising from their tombs in abandoned European cemeteries howling at the moon as it rises over the canyons of Mexico stalking the living in the villages of Africa vampires and werewolves are hauntingly familiar in the legends and lore of people all over the world In an amazing variety of forms from the glamorous to the ghastly shape shifters and the undead continue to fascinate and terrorize the people of the world whether they actually believe in their existence or just think they're kind of fun Learn about some of the most horrifying creatures to ever inhabit the nightmares of our species and realize on every continent in every time and place the legends
