

The Woolgatherer

- It is a two play act, set in South Philadelphia, which centers around two unstable individuals, Rose and Cliff.
- Rose is an abnormally sensitive woman who lives alone in a one bedroom apartment. She seems to have closed herself off from the world due to her haunted past.
- Cliff is a sarcastic, wise-cracking truck driving looking for a one night stand. He is obviously wounded by his past relationship but tries to cover it up with his witticism. He is stuck in town for the night due to repairs being made to his big rig.
