The Word Made Plain The Power And Promise Of Preaching:

The Word Made Plain James H. Harris, Preaching mediates the word of God into a cultural matrix And no American preaching has done so more effectively and powerfully than African American preaching claims noted homiletician James Harris Known for its rhetorical strength social justice orientation and dead on connection to the community s lived experience black preaching is here analyzed and proposed as a model for all preaching Harris grounds black preaching in the self understanding of the historic black church and its most prominent preachers from Martin Luther King Jr to Samuel Proctor Harris also explores the hermeneutical and aesthetic dimensions of preaching especially at the intersection of sacred text and the broader culture He then lays out the specific distinguishing characteristics of black preaching including verbal cadence and rhythm use of gestures and most thoroughly the narrative model of the sermon His last chapter Preaching Plainly provides specific instructions on how to put the sermon together employing this model *Effective Preaching*, 2019-06-17 *Effective Preaching* Bringing People into an Encounter with God is a practical collection of essays featuring leading preachers homilists and homily instructors Compiled by Michael E Connors CSC the Director of the John Marten Program in Homiletics and Liturgics at the University of Notre Dame this imaginative book focuses entirely on the practical side of Catholic preaching It will provide imaginative hands on tested advice to help homilists develop preaching effectiveness using techniques that will turn satisfactory preaching into exceptional preaching This practical resource will be essential for priests permanent deacons seminarians in homiletics classes retreat leaders RCIA catechists all who preach

An Introduction to Ministry Ian S. Markham, Oran E. Warder, 2016-01-19 *An Introduction to Ministry* is a comprehensive and ecumenical introduction to the craft of ministry for ministers pastors and priests that make up the mainline denominations in the United States Ecumenically focused It offers a grounded account of ministry covering areas such as vocation congregational leadership and cultivation of skills for an effective ministry Covers the key components of the M Div curriculum offering a map and guide to the central skills and issues in training Explores the areas of vocation skills for ministry and issues around congregational leadership Each topic ends with an annotated bibliography providing an indispensable gateway to further study Helps students understand both the distinctive approach of their denomination and the relationship of that approach to other mainline denominations Advocates and defends a generous understanding of the Christian tradition in its openness and commitment to broad conversation **"A Guide for Pastors, Leaders, and Congregations."** Dr. Clinton Craig Hoggard, 2021-09-20 *A Guide for Pastors Leaders and Congregations* How to Grow a Congregation Spiritually and in Number through Preaching By Dr Clinton Craig Hoggard *A Guide for Pastors Leaders and Congregations* How to Grow a Congregation Spiritually and in Number through Preaching is just that a study in how to grow congregations through preaching addressing such challenges as How to make prospective members of the church feel more welcomed accepted How to welcome back lapsed members of the congregation who may feel detached from the congregation

or church leadership How to speak to the congregation using their voice with specific understanding to their needs and circumstance By interviewing church goers those who used to attend church and church leadership at Vine Memorial Baptist Church all of whom provided up close and personal information that speaks directly to the problems facing many congregations today Hoggard was able to provide meaningful solutions to these issues and more

Introduction to the Practice of African American Preaching Frank A. Thomas, 2016-11-15 The Introduction to African American Preaching is an important groundbreaking book This book acknowledges African American preaching as an academic discipline and invites all students and preachers into a scholarly dynamic and useful exploration of the topic Author Frank Thomas opens with a bus tour study of African American preaching He shows how African American preaching has gradually moved from an almost exclusively oral to an oral written tradition Readers will gain insight into the history of the study of the African American preaching tradition and catch the author's enthusiasm for it Next Thomas traces the relationship between homiletics and rhetoric in Western preaching demonstrating how African American preaching is inherently theological and rhetorical He then explores the question what is black preaching Thomas introduces the reader to methods of close reading and ideological criticism And then demonstrates how to use these methods using a sermon by Gardner Calvin Taylor as his example The next chapter considers the question what is excellence in black preaching The next chapter seeks to create bridges and dialogue within the field of homiletics and in particular the Euro American homiletic tradition The goal of this chapter is to clearly demonstrate connections between the African American preaching tradition and the field of homiletics Thomas next turns to questions about the relevancy of the church to the Millennial generation Specifically how will the African American church remain relevant to this generation which is so deeply concerned with social justice

The Digital Pulpit Sunggu A. Yang, 2024-12-12 The focus of this volume is the practice of preaching as it is developed and performed in today's revolutionary context of digital technology and social media In the twentieth century the Christian pulpit adopted and made good use of digital technology and social media be it via television radio film cassette or CD ROM Now the revolutionary nature of digital technology and social media in the twenty first century demands an entirely new theological assessment with methodological adoptive concerns in relation to the practice of preaching In this volume a group of global homileticians provides their unique insights to the following questions and more What technologies do we have at our disposal and what technologies can we use in connection with preaching If any do we have a fine homiletical theology of digital technology and social media What are the best practices of preaching that can be conducted with current digital technology and social media platforms What merits and harms have we found in those best practices What new homiletical strategies are emerging in the current technological and social media context What contributions or connections do we see from existing homiletical theories in the current context of preaching

Crossover Preaching Jared E. Alcántara, 2015-10-08 In our increasingly pluralistic and multicultural society there is a need for preaching that is capable of crossing cultural
