The Work Of Christ: Past, Present and Future Arno Clemens Gaebelein, 2022-05-29 In *The Work of Christ Past Present and Future* Arno Clemens Gaebelein presents a meticulously crafted theological exploration of Christ's salvific mission through time. Structured into clear sections that delineate historical context, contemporary implications, and prophetic insights, Gaebelein employs a lucid literary style that harmonizes doctrinal rigor with spiritual meditation. The reader is invited to engage deeply with the biblical narrative as Gaebelein intertwines scripture with his unique exegesis, offering insights into the redemptive work of Christ and its eschatological significance, a subject increasingly relevant in modern Christian discourse. Arno Clemens Gaebelein, an esteemed theologian of the early 20th century, is well known for his passionate advocacy of biblical prophecy and the literal interpretation of scripture. His upbringing in a German theological tradition, coupled with his Zionist convictions, significantly shaped his perspective. Gaebelein's extensive ministry in the United States also lent him a distinct vantage point to explore the nuances of Christ's work, reflecting not only academic pursuits but a heartfelt pastoral concern for the church and its mission. This book is an essential read for anyone seeking a comprehensive understanding of Christ's work across time. Scholars, theologians, and lay readers alike will find Gaebelein's profound insights enlightening. By bridging the historical with the contemporary, he invites readers to contemplate the continuing relevance of Christ's redemptive purpose in their lives today.

The Jonah Prophecies Fred Paul Dello Iacono, 2011-01-07 Hear the last gospel of Jesus Christ as the actual voice of Jesus narrates the endtime biblical prophecies to the faithful witness. 168 Fred Dello Iacono through the key of David 56 knowledge exactly what the end will be like so that all world can have its eyes opened. This book unseals the bible perfectly beyond mathematical infinity so its dire warnings cannot be refuted by any human. Whoever thought it would be Jesus who would be the person who unseals the bible.

The Work Of Christ: Past, Present and Future Arno Clemens Gaebelein, 2019-12-12 In *The Work of Christ Past Present and Future* Arno Clemens Gaebelein provides an expansive theological exploration of Christ's redemptive work across time. Drawing from Scripture, Gaebelein employs a didactic literary style that marries exegesis with practical application, bridging biblical history with contemporary Christian life. He systematically addresses Christ's roles from His pre-incarnate existence through His earthly ministry to His future return, establishing a comprehensive framework that is both academically rigorous and accessible to a broad audience. The work reflects the optimism of early 20th-century evangelicalism, inviting readers to engage with doctrinal clarity amid the complexities of modernity. Arno Clemens Gaebelein, a prominent theologian and biblical scholar, dedicated his life to the study of Scripture and its applications in everyday faith. His experiences as a pastor and a teacher, along with his involvement in the prophetic movements of his time, deeply informed his theological perspective and compelled him to address the significance of Christ's work in a rapidly changing world. Daniel's Fourth Kingdom Melvin L. Hawkins LLC, 2021-10-28 Although there is broad consensus among Bible prophecy scholars that the times of the gentiles will continue until the return of Jesus Christ, the century-old traditional interpretation holds that Daniel's fourth gentile kingdom, the Roman Empire, ceased to exist in AD 476 in the West at Rome and therefore must be revived politically in the beginning of the seven-year tribulation period. That prevailing viewpoint is obscuring a clear understanding of the continuing existence of the fourth kingdom as well as its fulfillment in history of important prophecies related to the end times. Peter's forewarned about this potential interpretation problem in *The Theocratic Kingdom* 1884. *Daniel's Fourth Kingdom* 1 establishes that the divided Roman Empire still exists today and explains why that fact matters regarding the season of Christ's return. 2 respectfully questions the traditional interpretation. 3 exhorts the church to love not the temporal kingdoms of this world but instead to embrace her gospel-inspired Holy Spirit-empowered love-driven apolitical evangelical mission to share the gospel with all nations while expecting the possibly imminent pretribulation rapture and 4 invites all readers, believers and skeptics alike, to consider the relevance of the Bible concerning world history, current events and the future.
