Trouble In Paradise Or When God Got Really Mad:

MAP Jody H. Cox,2010-12-20 This is an inspirational book written by a man who spent over thirty years of his life drinking and drugging after two intense inpatient rehabs twenty eight arrests nine felony convictions and a five year prison sentence The only thing that changed was the amount of party money that was available had increased and the disease had gotten worse than ever Then on the thirtieth day of a thirty five day jail sentence God inspired him to write this book His life has now changed forever No more drinking and no more drugs he is now high on life happier than he s ever been and for once in his life totally stable Dozens and dozens of unbelievable events have taken place way too ironic to be coincidental It is all miracles performed by God himself a perfectly mapped out plan totally created by the Master to change this man s life so that he could become a minister and show the world that there is a cure to addictions Read it and you will be convinced and you will become a true believer

Chillin' with Your Daddy God Vincent C. Grote,2013-10-03 This daily devotional illuminates one verse each week with a fresh look for every day God loves you and wants you to be successful in every area of your life The first step on that journey is knowing and believing the love that your Daddy God has for you Chillin with Your Daddy God seeks to catapult you in that direction Using one verse per week and examining the truths within on a daily basis can help you break through religious traditions and rediscover what it means to meditate on Scripture After spending time chillin with your Daddy God you will realize you were created by a loving Father who wants only the best for you You can begin to understand how valuable and precious you truly are because of the high price He paid for you Your Daddy God is saying Come on over Relax Kick off your shoes and stay awhile

Nirvana: The Last Nightmare Osho,2023-08-03 Religion is not any ideology Religion does not believe in any ideals Religion is to become aware of the impossibility of idealism of all idealism Religion is to live here and now and idealism goes on conditioning your mind to live somewhere else And only the now exists There is no other way to live The only way is to be here You cannot be there The tomorrow is non existent it never comes and idealism believes in the tomorrow It sacrifices the today at the altar of the tomorrow It goes on saying to you Do something improve yourself Do something change yourself Do something become perfect It appeals to the ego Idealism belongs to the world of the ego It appeals to the ego that you can be more perfect than you are in fact you should be more perfect than you are But each moment is perfect and it cannot be more perfect than it is
