**Wellington's Specialist Troops** Philip Haythornthwaite,2012-06-20 The specialist troops of Wellington s army played a crucial role in the success of the British Army Though often understaffed and ineptly managed the artillery engineers transport and commissariat and medical services contributed to Wellington s ultimate victory in 1815 The Royal Artillery and Corps of Royal Engineers comprised a small number of highly trained officers while the commissariat was composed of untrained civilians outside military discipline and the medical services suffered from a shortage of trained surgeons This richly illustrated book examines the organization uniforms and equipment of each of these specialist departments

**Wellington's Belgian Allies 1815** Ronald Pawly,2012-03-20 The army commanded by the Duke of Wellington at Quatre Bras and Waterloo included two infantry divisions and three cavalry brigades of the newly unified Netherlands or Dutch Belgian army The part played by these troops in the two battles under experienced officers many of whom had seen long service in Napoleon s campaigns has often been unjustly dismissed by British commentators The organisation uniforms and battle record of the Belgian units are explained here in detail by an experienced researcher in Continental archives and illustrated by a specialist in the period who actually lives at Waterloo

[Wellington's Dutch Allies 1815](#) Ronald Pawly,2012-03-20 A concise illustrated study of the Netherlands troops that fought at Quatre Bras and Waterloo The forces commanded by the Duke of Wellington at Quatre Bras and Waterloo included two infantry divisions and three cavalry brigades of the newly unified Dutch Belgian army of the Kingdom of the Netherlands mostly led by veteran officers who had served under Napoleon The part played by these troops particularly in holding the vital crossroads of Quatre Bras at the insistence of their own commanders has often been unjustly dismissed by British commentators In this book the history organisation uniforms and battle record of the Dutch units of this army are explained and illustrated in detail by two experienced researchers in Continental archives and accompanied by many rare portraits as well as meticulous colour plates

information for fight directors and weapons makers Chapter one surveys the evolution and development of arms armor and personal combat Chapters two three and four consist of annotations of books articles and videos respectively Chapter five offers concluding remarks on the project

**Wellington's Highlanders** Stuart Reid,1992-11-26 Ultimately regiments are judged by their behaviour in battle and highlanders have always had a reputation as stormers as exemplified by the impetuous charge of the Gordons at Waterloo intermingled with the Scots greys This reputation probably resulted at least in part from an unusually close bonding between officers and men and an assumption that highlanders were natural soldiers possessed of an impetuous spirit and temperamentally more inclined to use the bayonet Complemented by many illustrations including eight full page colour plates by Bryan Fosten Stuart Reid s engaging text examines the uniforms and organisation of Wellington s Highlanders *Infantry* ,1993

**Wellington's Highland Warriors** Stuart Reid,2010-06-15 Wellingtons Highland Warriors covers the early history of the British Armys Highland regiments from the raising of the Black Watch in 1739 to the battle of Waterloo in 1815 Stuart Reid provides an entertaining and thoroughly original study of the circumstances in which the regiments were authorized and recruited not just in the Highlands but all across Scotland so that Highlanders and Scotchmen became synonymous It also tells the story of how they acquitted themselves in almost every corner of the globe from the bogs of Ireland to the burning plains of India and in the process earning for themselves a reputation which is literally second to none Each chapter follows a theme based around the experiences of one particular regiment and employs extensive but careful use of contemporary correspondence and memoirs to let those involved tell the story in their own words The story is a fascinating one which reveals the very different expectations and experiences of Highland soldiers filled with engaging rogues such as Simon Fraser and Allan Cameron of Erracht with stories of bitter feuds as rival chieftains and Highland proprietors battled each other for recruits and those recruits themselves who were more than capable of giving as good as they got demanding and receiving legally binding concessions from their landlords turned recruiters and then like George Gordon from the Cabrach striding forth in high dress with his sword by his side to announce his new profession in a calculated display of swank quite incomprehensible to his English counterparts

*Wellington's Men Remembered Volume 2* Janet Bromley,David Bromley,2020-01-31 Wellington s Men Remembered is a reference work which has been compiled on behalf of the Association of Friends of the Waterloo Committee and contains over 3 000 memorials to soldiers who fought in the Peninsular War and at Waterloo between 1808 and 1815 together with 150 battlefield and regimental memorials in 24 countries worldwide

**The King's German Legion (1)** Mike Chappell,2000 The formation of the King s German Legion resulted from the occupation of Hanover their homeland by the French in 1803 After assorted expeditions including Copenhagen in 1807 and Moore s retreat to Corunna the Legion joined Sir Arthur Wellesley in the Peninsula It was here that they were to earn undying renown as the crack corps of Wellington s army The Legion represented about 20% of Wellington s fighting strength and distinguished itself in all the major actions including their famous charge at

Garcia Hernandez during the Salamanca campaign 1812 which was fought during the Peninsular War 1808 1814
