While completion of Form DOL-347 is optional, it is mandatory for several contractors and subcontractors performing work on Federally financed or assisted construction contracts to respond to the information collection contained in 29 C.F.R. §§ 5.5, 5.9(a). The Copeland Act (40 U.S.C. § 3145) requires contractors and subcontractors performing work on Federally financed or assisted construction contracts to "submit weekly a statement with respect to the wages paid each employee during the preceding week." (i.e., Department of Labor (DOL) regulations at 29 C.F.R. § 5.5(b)(2)(ii) require contractors to submit weekly a copy of all payrolls to the Federal agency contracting for or financing the construction project, accompanied by a signed "Statement of Compliance" indicating that the payrolls are correct and complete and that each laborer or mechanic has been paid not less than the proper Davis-Bacon prevailing wage rate for the work performed). DOL and Federal contracting agencies receiving this information use the information to determine that employees have received legally required wages and fringe benefits.
