Unveiling Ancient Biblical Secrets Larry Huch, 2011-04-05 God's eyes are constantly searching for someone to heal someone to bless someone to prosper and someone to favor In Unveiling Ancient Biblical Secrets Pastor Larry Huch reveals God's ancient blessings for your life such as Destruction of the curse of poverty Healing beneath the wings of the tallit The first ten minutes that can change your whole day The covenant of success Opening the windows of heaven The hundredfold breakthrough in the parable of the seed By understanding and tapping into these timeless truths Christians can rediscover the destiny that God intends for His people We were meant to be shining examples of God's power blessing and favor

Understand the Old Testament David Holsted, 2018-02-16 A full 75 percent of the Bible is the Old Testament If one of your kids or your coworkers or your friends were to ask you about the Old Testament could you talk knowledgeably about it When you pastor says that your church believes in the Old Testament because the whole Bible is about Jesus can you even imagine what he's talking about In my experience Christians often know stories from the Old Testament or maybe have memorized verses from it but very few would say that they understand it That's where I stood not long ago so I set out to do something about it Frankly without help the Old Testament can be difficult to read let alone understand But

with a little guidance you can not only understand it you can appreciate how it harmonizes with the New Testament and you can see how it is so foundational to your faith I put together this book as I earnestly studied my way through the Old Testament My hope is that I have taken hundreds of hours of reading and work and summarized it into a book that can be used by Christians who just don't have hundreds of hours to invest This book combines the best of what I've read and studied about the Old Testament It is part book read it through or select areas of interest from the summaries It is part Bible study guide use the summaries to study or lead a Bible study group It is part commentary use it to complement your Old Testament reading The Old Testament is the story that Jesus completes and the promise that Jesus fulfills Are you willing to invest about an hour per week for a year in order to see how this is true Learn the name nature attributes and character of God Learn biblical principles patterns and promises Learn about Hebrew culture language and history in the context of world history Learn of the prophecies of hope through the Messiah Learn how the Old Testament testifies to Jesus throughout Share this adventure with me Take the first step Start down the path You will find it one of the most fulfilling things you've ever done

What Shall We Do? Joseph M. Lear, 2018-03-16 Since the 1960s biblical scholars have noted a relationship between eschatology and ethics in Luke Acts but to date there has been no substantive study of the relationship between these themes What Shall We Do offers such a study Lear observes and develops a logic that Luke Acts presents that begins with eschatological expectation and ends with a particular pattern of life especially with regard to possessions He makes the bold claim that Luke has not given up on eschatological expectation The healing of the cripple Acts 3 Cornelius's conversion Acts 10 and the shipwreck narrative Acts 27-28 are figurative stories of coming eschatological salvation In this context Lear demonstrates that the sharing of possessions becomes the means by which a new eschatological people is formed At the beginning of Luke's Gospel John the Baptist says the true children of Abraham will escape the coming judgment because they share their possessions The logic of this claim is worked out throughout Luke's two volumes culminating in barbarian Maltans becoming children of Abraham because they hospitably receive the Apostle Paul *Israel's Messenger*, 1929

Give Me this Mountain Clarence LaVaughn Franklin, 1989 C. L. Franklin the most imitated soul preacher in history was a combination of soul and science and substance and sweetness Reverend Jesse L. Jackson from the Foreword Few black preachers have been better known than the Reverend C. L. Franklin none has been considered a better preacher This collection of twenty of Franklin's best sermons shows the development of his style A learned man Franklin had attended both seminary and college yet in his sermons used the old-fashioned extemporaneous style of preaching whooping or chanting combining oratory and intoned poetry to reach both head and heart Dozens of Franklin's sermons were released on record albums and he went on preaching tours with gospel groups that included his daughter Aretha Franklin reaching virtually every corner of the United States This volume begins with Franklin's life history told in his own words In an afterword Jeff Titon reviews the African American sermon tradition and Franklin's place in it *The Prophets and the Apostolic Witness*

Andrew T. Abernethy, William R. Osborne, Paul D. Wegner, 2023-10-17 How should Christians read prophetic literature This collaborative endeavor identifies the interpretive methods used throughout history and constructs a way forward for our own approach to reading the Major Prophets offering fresh and helpful insights to scholars students and pastors as they engage with the text
