What Are They Saying About Fundamentalisms What Are They Saying About Fundamentalisms

Wes Auger

What Are They Saying About Fundamentalisms What Are They Saying About Fundamentalisms:

What are They Saying about Fundamentalisms? Peter A. Huff, 2008 This is the age of fundamentalism An axis of sacred rebellion cuts through modern experience challenging all who would accommodate religion to secular culture and a dictatorship of relativism Sometimes violent always militant fundamentalists have profoundly transformed the religious landscape of modern society This book offers a critical and empathetic survey of the world's major fundamentalist movements and the innovative scholars who study them Peter Huff an advocate for interfaith dialogue with fundamentalists covers the full range of the cross cultural fundamentalist phenomenon from the American Protestant prototype to muscular protest movements transfiguring every religion around the globe Examining the pioneers of interdisciplinary fundamentalism studies he provides an insider's view of the academic debates driving the rapidly expanding field Highlight The book explores fundamentalist trends within all major world religions Judaism Christianity Islam Hinduism Sikhism and Buddhism

Religious Fundamentalism Peter Herriot, 2008-09-25 How does a religious fundamentalist come to embrace a counter cultural world view Fundamentalism can be analysed from a variety of perspectives It is a type of belief system which enables individuals to make sense of their lives and provides them with an identity It is a social phenomenon in which strictly religious people act according to the norms values and beliefs of the group to which they belong It is a cultural product in the sense that different cultural settings result in different forms of fundamentalism And it is a global phenomenon in the obvious sense that it is to be found everywhere and also because it is both a reaction against and also a part of the globalising modern world Religious Fundamentalism deals with all of these four levels of analysis uniquely combining sociological and psychological perspectives and relating them to each other Each chapter is followed by a lengthy case study and these range from a close textual analysis of George W Bush's second inaugural speech through to a treatment of Al Qaida as a global media event This book provides a comprehensive social scientific perspective on a subject of immense contemporary significance and should be of use both to university students and also to students of the contemporary world **The Assault**

on Fundamentalism Wes Auger, 2013-12-05 Dr Auger is an evangelist and this is one of his most effective and hard hitting messages ever preached It documents how the fundamentals of the faith have been attacked on every hand not only by known liberals but also by some of those often considered to be fundamentalists Religious Fundamentalism and Social

Identity Peter Herriot, 2014-02-25 The attacks on the World Trade Centre and the Pentagon in the United States of September 11th 2001 brought the phenomenon of religious fundamentalism to the world's attention Sociological research has clearly demonstrated that fundamentalists are primarily reacting against modernity and believe that they are fighting for the very survival of their faith against the secular enemy But we understand very little about how and why people join fundamentalist movements and embrace a set of beliefs values and norms of behaviour which are counter cultural This is essentially a question for social psychology since it involves both social relations and individual selves Drawing on a broad

theoretical perspective social identity theory Peter Herriot addresses two key questions why do fundamentalists identify themselves as an in group fighting against various out groups And how do the psychological needs for self esteem and meaning motivate them Case studies of Mohammed Atta the leader of the 9 11 hijackers and of the current controversy in the Anglican Church about gay priests and bishops demonstrate how fruitfully this theory can be applied to fundamentalist conflicts It also offers psychologically sensible ways of managing such conflicts rather than treating fundamentalists as an enemy to be defeated Religious Fundamentalism and Social Identity is unique in applying social identity theory to fundamentalism and rare in that it provides psychological in addition to sociological analyses of the phenomenon It is a valuable resource for courses in social psychology which seek to demonstrate the applicability of social psychological theory to the real world

Fundamentalisms and the State Martin E. Marty, R. Scott Appleby, 1993 This third volume of the Fundamentalism Project provides a systematic overview of the advances made by antiseccular religious movements over the past twenty five years The distinguished contributors to this volume economists political scientists religious historians social anthropologists and sociologists focus on the impact these movements have had on national economies political parties constitutional issues and international relations on five continents and within the religious traditions of Islam Christianity Judaism Buddhism Hinduism and Sikhism Do fundamentalisms tend toward political activism and how successful have they been in remaking political structures To answer this question and others the contributors discuss the anti abortion movement in the U S the Islamic war of resistance in Afghanistan and Shiite jurisprudence in Iran Martin E Marty and R Scott Appleby conclude the volume with a synthetic statement of fundamentalist impact on politics economies and state security The Fundamentalism Project is a monumental undertaking by the American Academy of Arts and Sciences that involves an international group of scholars Taken together the volumes in this series will become a standard reference for educators and policy analysts for years to come

Catholicism and Fundamentalism Karl Keating, 2009-09-03 Karl Keating defends Catholicism from fundamentalist attacks and explains why fundamentalism has been so successful in converting Romanists After showing the origins of fundamentalism he examines representative anti Catholic groups and presents their arguments in their own words His rebuttals are clear detailed and charitable Special emphasis is given to the scriptural basis for Catholic doctrines and beliefs

Religious Fundamentalism in the Age of Pandemic Nina Käsehaege, 2021-03-15 The multidisciplinary anthology Religious Fundamentalism in the Age of Pandemic provides deep insights concerning the current impact of Covid 19 on various religious groups and believers around the world Based on contributions of well known scholars in the field of Religious Fundamentalism the contributors offer about a window into the origins of religious fundamentalism and the development of these movements as well as the creation of the category itself Further recommendations regarding specific fundamentalist religious groups and actors and their possible development within Buddhism Christianity Islam and Judaism round up the discussion about the rise of Religious Fundamentalism in the Age of Pandemic

Accounting for

Fundamentalisms Martin E. Marty, R. Scott Appleby, 2004-05 Accounting for Fundamentalisms features treatments of fundamentalist movements groups that often make headlines but are rarely understood as part of the multivolume Fundamentalism Project This book remains a standard reference source for comprehending the dynamics of fundamentalist movements around the world Surveying fundamentalist movements in Christianity Judaism Islam Hinduism Sikhism and Buddhism the contributors to Accounting for Fundamentalisms describe the organization of these movements their leadership and recruiting techniques and the ways in which their ideological programs and organizational structures shift over time in response to changing political and social environments *Monotheism and Fundamentalism* Rik Peels, 2024-05-09 This Element explores the relation between monotheism and fundamentalism It does so from both an empirical perspective and a more theoretical one that combines theological and philosophical insights The empirical part addresses how as a matter of fact particularly quantitatively monotheism and fundamentalism relate to one another The more theoretical part studies the relation between the two by considering the doctrine of God and the issue of exclusion theories of revelation and ethics Finally the book considers whether monotheism has particular resources that can be employed in mitigating the consequences of or even altogether preventing fundamentalism This title is also available as Open Access on Cambridge Core

Chicago Fundamentalism: Ideology And Methodology In Economics Craig F. Freedman, 2008-08-01 Cold war ideology infected the development of economics in ways its practitioners were often not fully aware The Chicago counter revolution against the dominant post war triumph of Keynesian analysis had an essential subtext a perceived struggle between freedom and collective slavery Ideological objectives subsequently influenced methodological concerns pushing economists to adopt the zero sum tactics of the courtroom rather than the mutually beneficial manners of the senior common room In these ideologically charged times economists stopped reading opposing views carefully seeking instead to dismiss out of hand uncongenial ideas In this collection of previously published and new material Craig Freedman examines the problem of ideology through the reflection cast by the architects of the Chicago counter revolution George Stigler and Milton Friedman The second half of the volume demonstrates the legacy of these ideological fires namely a profession where the methodology of careless reading and zero sum exchanges have persisted and come to dominate

Thank you for downloading **What Are They Saying About Fundamentalisms What Are They Saying About Fundamentalisms**. Maybe you have knowledge that, people have search numerous times for their favorite books like this What Are They Saying About Fundamentalisms What Are They Saying About Fundamentalisms, but end up in harmful downloads.

Rather than enjoying a good book with a cup of tea in the afternoon, instead they juggled with some infectious virus inside their computer.
