What Bible Doesn't Say Does:

The Bible Doesn't Say That Joel M. Hoffman, 2016-02-16 A witty and accessible look at Scripture that explores what the Bible meant before two millennia of mistranslations and misinterpretations Publishers Weekly starred review In this fascinating book acclaimed translator and biblical scholar Dr Joel M Hoffman walks the reader through dozens of mistranslations misconceptions and other misunderstandings about the Bible In forty short straightforward chapters he covers morality lifestyle theology and biblical imagery including The Bible doesn't call homosexuality a sin and doesn't advocate for the one man one woman model of the family that has been dubbed biblical The Bible's famous beat their swords into plowshares is matched by the militaristic beat your plowshares into swords The often cited New Testament quotation God so loved the world is a mistranslation as are the titles Son of Man and Son of God The Ten Commandments don't prohibit killing or coveting What does the Bible say about violence About the Rapture About keeping kosher About marriage and divorce Hoffman provides answers to all of these and more succinctly explaining how so many pivotal biblical answers came to be misunderstood

What the Bible Says—and Doesn't Say—About Homosexuality John Teller, 2016-03-07 Have you ever wondered what the Bible has to say about homosexuality A growing number of Christians have come to believe that the Bible does not prohibit or condemn homosexual acts This book is intended to refute this fundamentally flawed view and to respond to one of its principal propagators the Rev Dr Mel White The Rev Mel White's *What the Bible Says and Doesn't Say About Homosexuality* is a treatise that argues that the Bible when correctly understood neither condemns nor prohibits homosexual relationships between loving committed same sex partners The apparent prohibitions of sodomy and other homosexual acts in the Old Testament are intended not as injunctions from God but as reflections of societal tastes and preferences Even if such prohibitions were based on Old Testament biblical laws Dr White argues such laws have no application or bearing on contemporary Christians who fall under the law of grace Dr White's treatise employs subtle twists of logic and misunderstandings of fundamental biblical principles in support of its conclusions His treatise is especially dangerous to readers having shallow biblical knowledge and who may not fully understand the extent and clarity of the Bible's prohibition on homosexual conduct At last there is now an answer to Dr White's treatise In this volume John Teller sets forth a systematic reply to each of Dr White's defenses of homosexuality John Teller thoroughly replies to refutes and rebuts each of Dr White's arguments on a detailed point by point basis The present volume is indispensable to the Christian studying human sexuality in light of biblical principles

W. E. Sangster Andrew J. Cheatle, 2018-08-09 Listened to by huge congregations in Britain and perhaps the most recognizable British Methodist voice in the mid twentieth century W E Sangster was in anyone's estimation a giant of Methodism A preacher without peer in the world a prince of preachers are just two of the labels attached to this preacher theologian of the Methodist tradition This volume captures the preaching of Sangster in his prime on the occasion of the 1956 World Methodist Conference in Junaluska North Carolina Cheatle's research brings into the public domain ten sermons nine previously unpublished in this form delivered by Sangster at that great gathering of World Methodism These sermons being transcripts from recordings picked up Sangster in the raw at his most powerful engaging with his listeners This book is a resource therefore that aids students of homiletics and pastors in encountering a master at work without the editorial polish of his extant sermons The sermons on aspects of Christian holiness would be Sangster's first and last sequential series on the subject placing before the reader some of his most mature thought on holiness and its application in daily life *If God Loves Me, Why Can't I Get My Locker Open?* Lorraine Peterson, 2006-08 Since Oxford University Press's publication in 2000 of Michael Emerson and Christian Smith's groundbreaking study Divided by Faith DBF research on racialized religion has burgeoned in a variety of disciplines in response to and in conversation with DBF This conversation has moved outside of sociological circles historians theologians and philosophers have also engaged the central tenets of DBF for the purpose of contextualizing substantiating and in some cases contesting the book's findings In a poll published in January 2012 nearly 70% of evangelical churches professed a desire to be racially and culturally diverse Currently only around 8% of them have achieved this multiracial status To an unprecedented degree evangelical churches in the United States are trying to overcome the deep racial divides that persist in their congregations Not surprisingly many of these evangelicals have turned to DBF for solutions The essays in Christians and the Color Line complicate the research findings of Emerson and Smith's study and explore new areas of research that have opened in the years since DBF's publication The book is split into two

sections The chapters in the first section consider the history of American evangelicalism and race as portrayed in DBF In the second section the authors pick up where DBF left off and discuss how American churches could ameliorate the problem of race in their congregations while also identifying problems that can arise from such attempted amelioration

Can't See the Forest for the Trees Eldon Adams, 2022-11-15 Sometimes the deepest knowledge of God comes from those who had to trust in Him the most What does this book's title Can't See the Forest for the Trees imply A simple answer is The Forest is symbolic of God's Plan revealed in Bible scripture with all of its mystery to be understood and fulfilled with steadfast belief faith and trust in the power of the Holy Trinity God the Father Jesus Christ the Son and the Holy Spirit one for all all for one God's Plan is a work in progress nearing fulfillment The Trees are symbolic of obstacles like gullibility false teaching false prophesy false doctrine apostasy hate lying deceit evil love of money blind speculation and the like all of which are growing rampant in the United States The message reveals Spiritual Blindness as a curse that God has imposed upon His Church for their lack of true faith in Him not unlike the Israelites as they turn away from the New Covenant Law blindly accepting unsuspected guidance from Satan to employ worldly ways and promote apostasy By misguided faith some may be unprotected by the Armor of God and their failing to cultivate the Fruit of the Spirit makes matters worse The author is hopeful that his book will bring awareness of spiritual blindness to summon a repentant reaction for restoration of religious understanding and direction in line with God's real purpose

Dear Morgan, God Doesn't Hate You Because You're Gay Metanoia Spirit, 2015-11-11 What if you couldn't have sex with your partner would it matter Do you think you could still love and be with him or her What if biblical scriptures could reveal a hidden view of what it means to be accepted for who and what we are as spirits having a human experience Would it help ease the intense hatred toward individuals whose calling in life involves their sexual identity *Dear Morgan God Doesn't Hate You Because You're Gay* by author Metanoia Spirit deals with this issue Morgan who is a lesbian is the author's friend Or she was until her sexuality came between them and Morgan ends their friendship Spirit misses her friendship so he writes this book in the form of a letter He shares with Morgan bible scriptures to explain why he believes the way he does and explain that God doesn't hate her because of her lifestyle despite what some people say This letter is not only to Morgan It is also for those whose lives are filled with confusion about God's unconditional love for them The scriptural evidence shared in *Dear Morgan God Doesn't Hate You Because You're Gay* is substantial but not everyone will see it even though it's right in front of them
