What Does The Bible Say About The End Times A Catholic View:

What Does the Bible Say about the End Times? William S. Kurz, 2004 Where did we come from Where are we going How will the world come to an end Has God given us clues from which we can deduce an end time scenario Will believers be raptured spared the tribulation of cataclysmic times Many Catholics find themselves confused by current speculations among fundamentalist Christians about the end of the world These scenarios often based on convoluted and faulty interpretations of Scripture offer a blow by blow account of God's master plan for closing out history Through a careful examination of key biblical themes symbols and imagery from Genesis to Revelation Scripture scholar Father William Kurz demonstrates that the Bible is not a puzzle to construct into an end time scenario Instead he leads the reader to a deeper understanding of God's intent in creating humanity his persistent efforts to rescue us from our sin and Jesus final return in glory to judge the living and the dead

The Eschatological Role of the Jerusalem Temple: An Examination of the Jewish Writings Dating from 586 BCE to 70 CE Eric W. Baker, 2015-06 This research aims to investigate the role or roles of the physical Jerusalem temple within the second temple Jewish writings in terms of whether the physical temple has any role to play in relation to the pivot point in eschatology The pivot point or fulcrum in time refers to the end of the exile and perhaps the beginning of the eschaton The exile may be theological but many second temple Jewish texts address the physical gathering of the children of Israel to the land of Israel i.e. from physical exile even if the text also addresses a theological exile thus making the return a complete ingathering of the children of Israel The passages of these ancient texts have been analysed before but never with this lens Looking to see if there is any role the Jerusalem Temple performs in expected eschatological events will at least allow an answer to be given which is better than never asking the question in the first place which has been the case until now This study produces results as the Jerusalem Temple has always been a place of great expectations

Israel, the Church, and Millenarianism Steven D. Aguzzi, 2017-07-28 Since the calls of the Second Vatican Council Roman Catholic theologians have sought to overcome an overarching problem facing Jewish Christian relations the concept of supersessionism the idea that God has revoked the spiritual and historical promises made to the Jewish people in favour of granting those same privileges to a predominantly Gentile Church Israel the Church and Millenarianism breaks new ground by applying an ancient principle to the problem of Israel's replacement the early Church's promotion of millennialism Utilizing the best in Patristic research Aguzzi argues that these earliest Christian traditions made room for the future of Israel because Christ's reign in the Church was viewed as provisional to his historical reign on earth Israel's role in salvation history was and is not yet complete Aguzzi's research also opens the door for a greater Catholic understanding of the millennial principle not shying away from its validity and relevance for understanding the importance of safeguarding Jewish particularity while concluding that the Synagogue and the Church are indeed on a parallel trajectory what will their Israel's acceptance be but life from the dead Romans 11:15 Ultimately the divine will is fulfilled through both Christian and Jewish means in history while each community is dependent in different ways upon the unfolding of God's future and the coming Parousia of Christ

Will Catholics Be Left Behind? Carl Olson, 2009-09-03 This powerful and timely book written by a former Fundamentalist is a thorough critique of the popular Fundamentalist notion of the Rapture the belief that Christians will be removed from earth prior to a time of Tribulation and the Second Coming It examines the theological historical and Biblical basis for premillennial dispensationalism the belief system based around the Rapture and popularized in the best selling Left Behind books and taught by Bible prophecy writers Tim LaHaye Hal Lindsey Jack Van Impe and many others Written for both the lay person and the serious student this book combines an engaging popular approach with detailed footnotes and exhaustive research Beginning with the big picture it focuses first on key concepts such as eschatology the Parousia and the relationship between the Kingdom and the Church It then examines the Book of Revelation providing insights into the nature and purpose of that difficult final book of the Bible Another chapter looks at the concept of the millennium and how it has been understood by various Christians over the centuries Olson then shows how Left Behind creator LaHaye's many works on Bible prophecy are filled with attacks on Catholicism and often rely on

sensationalism shaky scholarship and subjective interpretations of Scripture Olson a former dispensationalist who now edits Envoy magazine also presents a history of apocalyptic belief and theology beginning with the Early Church Fathers and including the Montanists St Augustine Joachim of Fiore the Protestant Reformers and the American Puritans He shows how John Nelson Darby an ex Anglican priest developed the premillennial dispensationalist system which hinges on the Rapture in the 1830s and how Darby relied upon faulty assumptions about Jesus Christ the Church and the Bible The second part of the book A Catholic Critique of Dispensationalism focuses on three important topics the relationship between Israel the Church and the Kingdom the interpretation of Scripture and the nature of the Rapture event Filled with a wealth of information drawn from both Protestant and Catholic sources this section provides a complete rebuttal to the premillennial dispensationalist system and the left behind theology The book concludes with a reflection on the Catholic understanding of the end times salvation history and the final judgement Glossaries of key persons and terms are also included A strong but fair critique of a dangerous and popular belief Will Catholics Be Left Behind provides Catholics and Protestants lay people and clergy and students and scholars with important answers and information about the roots and meaning of the Rapture Millions of Americans believe the Lord will snatch them up any day now leaving the rest of us to the horrors of a seven year tribulation The hitch is that the Rapture has no pedigree As Carl Olson shows no Catholic or Protestant believed in it prior to the nineteenth century It is an authentic Fundamentalist invention Karl Keating Author Catholicism and Fundamentalism In this extraordinary book Carl Olson uses a surgeon s scalpel to cut through the mass of confusion that dominates contemporary reflection on the Last Things Achieving far more than a refutation of millennialist errors and other disordered apocalyptic theories he illumines the Church s majestic vision of time and eternity and demonstrates that Jesus Christ is the Lord of History and its end Michael O Brien Author Father Elijah

Catholic Doctrines on the Jewish People after Vatican II Gavin D'Costa, 2019-10-10 In this timely study Gavin D Costa explores Roman Catholic doctrines after the Second Vatican Council regarding the Jewish people 1965 2015 It establishes the emergence of the teaching that God s covenant with the Jewish people is irrevocable What does this mean for Catholics regarding Jewish religious rituals the land and mission Catholic Doctrines on the Jewish People after Vatican II establishes that the Catholic Church has a new teaching about the Jewish people the covenant made with God is irrevocable D Costa faces head on three important issues arising from the new teaching First previous Catholic teachings seem to claim Jewish rituals are invalid He argues this is not the case Earlier teachings allow us positive insights into the modern question Second a nuanced case for Catholic minimalist Zionism is advanced without detriment to the Palestinian cause This is in keeping with Catholic readings of scripture and the development of the Holy See s attitude to the State of Israel Third the painful question of mission is explored D Costa shows the new approach safeguards Jewish identity and allows for the possibility of successful witness by Hebrew Catholics who retain their Jewish identity and religious life

Letter & Spirit, Vol. 7 Fr William Kurtz, Stephen M. Hildebrand, Owen M.

Phelan,2012-07 This is the seventh annual volume of the remarkably popular journal of biblical theology edited by Scott Hahn and his St Paul Center for Biblical Theology This volume responds to the call of Pope Benedict XVI in his Apostolic Exhortation Verbum Domini for a thoughtful return to the Fathers of the Church and how they approached Sacred Scripture This is not in any way to jettison historical critical methods and the valuable insights that modern biblical scholarship has brought to light It is simply to acknowledge what Pope Benedict calls for a measured return to the interpretive methods employed by the Church Fathers as well as the theology that flowed from their exegetical labors As he said The Church Fathers present a theology that still has great value today because at its heart is the study of sacred Scripture as a whole Indeed the Fathers are primarily and essentially commentators on sacred Scripture Highlights include original articles by Fr William Kurtz SJ Matthew Levering Father Stephen Ryan OP Stephen Hildebrand Owen Phelan and Michael Barber as well as an original translation of Joseph Ratzinger s Pope Benedict XVI foundational essay Vicarious Representation by Father Jared Wicks SJ
