What God Has Joined Together David G. Myers, Letha Dawson Scanzoni, 2006-05-09 Gay marriage has become the most important domestic social issue facing twenty first century Americans particularly Americans of faith Most Christians are pro marriage and hold traditional family values but should they endorse extending marriage rights to gays and lesbians If Jesus enjoined us to love our neighbors as ourselves and the homosexual is our neighbor does that mean we should accept and bless gay marriages These and other related questions are tearing many faith based communities apart Across the country states have voted courts have debated and churches have divided over the legitimacy of same sex marriage Amid the uproar one perspective is decidedly missing that of thoughtful pro marriage Christians who informed by their faith are struggling to make sense of this issue What God Has Joined Together is an effort to bridge the divide between marriage supporting and gay supporting people of faith by showing why both sides have important things to say and showing how both sides can coexist Drawing on scientific research as well as on the Bible the authors explain that marriage is emotionally physically financially and spiritually beneficial for everyone not just heterosexuals They debunk myths about sexual orientation assess claims of sexual reorientation and explore what the Bible does and does not say about same sex relationships The book ends with a persuasive case for gay marriage and outlines how this can be a win win solution for all

A Global Political Morality Michael J. Perry, 2017-04-03 In A Global Political Morality Michael J Perry addresses several related questions in human rights theory political theory and constitutional theory He begins by explaining what the term human right means and then elaborates and defends the morality of human rights which is the first truly global morality in

human history Perry also pursues the implications of the morality of human rights for democratic governance and for the proper role of courts especially the US Supreme Court in protecting constitutionally entrenched human rights The principal constitutional controversies discussed in the book are capital punishment race based affirmative action same sex marriage physician assisted suicide and abortion Respectful LGBT Conversations Harold Heie,2018-05-14 In stark contrast to the shrill and nasty interactions among many Christians regarding contentious LGBT issues this book models a redemptive mode of engagement by featuring respectful conversations among deeply committed Christians who hold to diverging traditional and non traditional views The foundational values guiding these conversations are the quest for truth giving the gift of love to all brothers and sisters in Christ and modeling Christian unity Emerging from these conversations are practical steps for a way forward that include creating safe spaces for ongoing conversation and practicing courageous Christian leadership Based on case studies for a Christian university and two Christian churches this book provides helpful advice for navigating conflict within churches Christian denominations and Christian educational institutions God's Top 10 Anne Robertson,2006 Homosexuality and Religion Jeffrey S. Siker,2006-11-30 Few issues today cause more public and private debate than the interaction of homosexuality and religion From the question of gay marriage to the place of gays and lesbians within faith communities religious leaders and lay members must deal with these issues for now and for years to come What is the historical position of the major denominations How are people of faith balancing their beliefs This encyclopedia provides an overview of the various attitudes and responses that religions have had to the presence of gay lesbian bisexual and transgendered persons within their communities This is the most comprehensive volume to date on the intersections between religion and homosexuality **A Time to Embrace** William Stacy Johnson,2012-06-30 In A Time to Embrace William Stacy Johnson brilliantly analyzes the religious legal and political debates about gay marriage civil unions and committed gay couples This new edition includes updates that reflect the many changes in laws pertaining to civil unions same sex marriage since 2006 **Dignity, Dogmatism, and Same-Sex Relationships** Gilbert Rossing,2009-01-01 In response to the current culture wars over same sex marriage hate crime legislation and the legalization of gay rights Dignity Dogmatism and Same Sex Relationships provides a thorough argument for an ethics of intimacy in same sex relations based equally on science and the Bible After a rigorous interrogation of modern definitions of sexual identity and the usage of biblical passages in support of cultural biases the book redefines the notion of intimacy to include the physical emotional mental social and spiritual dimensions that compose human relationships It thus approaches homosexuality from a whole person perspective and attempts to create understanding rather than foment divisiveness This more comprehensive definition of intimacy allows for a compassionate reading of Scripture in ongoing conversations about the nature of homosexuality and the full inclusion of gay lesbian bi sexual and transgender persons in society It also encourages religious communities to do for same sex couples what they already do for heterosexual couples provide the information counsel and

encouragement necessary to foster healthy sexual practices meaningful interpersonal relationships and a cohesive sense of community The Secret Transcript of the Council of Bishops Darren Cushman Wood,2015-10-28 What would Wesley say United Methodists have always looked to their founder for an example or a quick quote to justify their actions The Secret Transcript of the Council of Bishops takes the readers inside the debate over homosexuality and church unity with John Wesley as their guide Homosexuality raises a host of related questions about the nature and mission of the church the meaning of membership and the role of the episcopacy The Secret Transcript of the Council of Bishops explores what Wesley had to say that can show us a more loving way to move forward Written as a dialogue among a group of fictitious United Methodist bishops The Secret Transcript of the Council of Bishops explores the real life implications of homosexuality on church unity Every perspective in this complex and contentious debate is examined and respected as the reader explores how God might be speaking to us through the insights of John Wesley Theologies of the 21st Century David L. Smith,2014-10-02 What theologies are popular and formative of Christian thinking in the present day How should they be assessed by those Christians who want to be in the world without being of the world Theologies of the 21st Century begins with an overview of the historical roots from which current theological thinking has developed and then moves on to a detailed evaluation of the chief doctrinal and practical emphases taking an evangelical biblical perspective that seeks to be at once both critical and irenic
