What Happened To Recess And Why Are Our Children Struggling In Kindergarten:

What Happened to Recess and why are Our Children Struggling in Kindergarten Susan Ohanian,2002 Explains how an increased focus on standardized testing has caused schools to cut recess and play time for children leading to increased stress less applied learning an more fear and exhaustion in children *Contemporary Challenges in Teaching Young Children* Gayle Mindes,2019-09-02 *Contemporary Challenges in Teaching Young Children* provides both veteran and aspiring early childhood educators with the information and tools they need to build on their understanding of developmentally appropriate practice Teachers face many challenges including family configuration social and political stressors related to accountability requirements funding shortages and the resulting need to teach with fewer resources This innovative book focuses exclusively on problem solving at the classroom level and fosters creative methods of ensuring best practices are in place for all children including those with limited experience in formal social settings and a lack of self regulatory behaviors Drawing on current research and their own wealth of experience expert contributors cover topics from the critical importance of social emotional learning to culturally responsive teaching to using technology to empower teachers and learners Written in accessible non technical language this book addresses complex factors affecting child development guiding readers through the best strategies for tackling real problems in their practice *Change the World with Service Learning* Katy Farber,2011-01-16 *Change the World with Service Learning* is clear direct and easy to use and was designed for busy teachers integrating Service Learning into their existing curriculum This book guides teachers from all content areas and grade levels to create outstanding Service Learning projects with students like no other book does *Change the World with Service Learning* is a no fluff step by step teacher to teacher description of how to create plan teach and celebrate Service Learning projects that meet and exceed local district and national curricular expectations *Harnessing The Dynamics of Public Education* Timothy B. Jones,David C. Barrett,2015-10-16 *Harnessing the Dynamics of Public Education* Preparing for a Return to Greatness is a comprehensive look at the American public education system Building on the current system the book takes on the War on Education in an effort to rethink redesign and develop a new state of the art system of learning that will regain international competitiveness and be the best choice for parents in a growing system of choice The authors provide critical analysis of the current system while also offering specific solutions and hope for one of the greatest institutions in America as it Return s to Greatness *Educational Foundations* Alan S. Canestrari,Bruce A. Marlowe,2020-08-05 *Educational Foundations* An Anthology of Critical Readings helps new and future teachers develop habits of critical reflection about schools and schooling before entering the classroom **I'd Rather Be Learning** Phyllis Greenleaf,2006-10-01 The impacts of standardized testing under No Child Left Behind and advocacy for educational change Information on child development and learning **Postcolonial Challenges in Education** Roland Sintos Coloma,2009 Coloma compiles 20 essays that trace the history of imperialism and colonialism as well as anti imperialism and

decolonization noting that there is a lack of consideration of education in studies of these topics and vice versa Education scholars from North America the UK Australia and Qatar consider the operations and effects of colonialism during and after occupation and the way colonized individuals navigate and resist imperialism in schooling educational policy and cultural and knowledge production *America's Teenagers--Myths and Realities* Sharon L. Nichols, Thomas L. Good, 2004-07-19 The media's presentation suggests that American teenage culture today is the most violent sexual and amoral youth culture in history In this book Nichols and Good deconstruct the negative images held by large numbers of adults Recognizing that many teenagers are left by adults to socialize themselves and the consequences of this careless indifference the authors goal is to influence a more positive view leading to stronger social policies and better services resources and programs to meet the needs of America's youth Unique features of America's Teenagers Myths and Realities Media Images Schooling and the Social Costs of Careless Indifference include powerful analytic lenses used to revisit typical depictions of youth a wealth of information brought to bear on understanding teenagers behavior and consideration of a broad range of adolescent behaviors across critical socializing settings The book begins with a discussion of the continuing myth of adolescence how and why youth are devalued and an overview of current beliefs about youth drawn from two 1990s Public Agenda Polls This is followed by chapters on youth and the media and the pressures that youth face in various dimensions of their lives Topics include youth violence the sex lives of teenagers tobacco alcohol drugs and teens healthy living and decision making working teens and youth and education The concluding chapter pulls together themes generated throughout the book and provides examples of policies that would underscore the value of viewing youth as a social investment General guidelines are provided for teachers parents policymakers and citizens to facilitate responding to youth in meaningful proactive ways that improve the quality of life for teenagers and the broader society *Schools Or Markets?* Deron R. Boyles, 2004-12-13 This book challenges readers to consider the consequences of commercialism and business influences on and in schools Critical essays examine the central theme of commercialism via a unique multiplicity of real world examples Topics include privatization of school food services oil company ads that act as educational policy statements a parent's view of his child's experiences in a school that encourages school business partnerships commercialization and school administration teacher union involvement in the school business partnership craze currently sweeping the nation links between education policy and the military industrial complex commercialism in higher education including marketing to high school students intellectual property rights of professors and students and the bind in which professional proprietary schools find themselves and the influence of conservative think tanks on information citizens receive especially concerning educational issues and policy Schools or Markets Commercialism Privatization and School Business Partnerships is compelling reading for all researchers faculty students and education professionals interested in the connections between public schools and private interests The breadth and variety of topics addressed make it a uniquely relevant text for courses in social and cultural foundations of education

sociology of education educational politics and policy economics of education philosophy of education introduction to education and cultural studies in education *With Literacy and Justice for All* Carole Edelsky, 2006 The third edition of *With Literacy and Justice for All Rethinking the Social in Language and Education* continues to document Carole Edelsky's long involvement with socially critical holistic approaches to the everyday problems and possibilities facing teachers of language and literacy This book helps education professionals understand the educational societal situations they are dealing with and literacy instruction and second language learning in particular contexts Edelsky does not offer simplistic pedagogical formulas but rather progressively works through differences and tensions in the discourses and practices of sociolinguistics bilingual education whole language and critical pedagogy fields whose practitioners and advocates too often work in isolation from each other and at times at cross purposes In this edition what Edelsky means by rethinking is improving and extending her own views while at the same time demonstrating that such rethinking always occurs in the light of history The volume includes a completely new Introduction and two entirely new chapters one on reconceptualizing literacy learning as second language learning and another on taking a historical view of responses to standardized testing Throughout in updating the volume Edelsky uses a variety of structural styles to note contrasts in her views across time and to make the distinction clear between the original material and the current additions This edition is a rare example of a scholar owning up to changes in thinking and a much needed demonstration of the historically grounded nature of knowledge As a whole the third edition emphasizes recursiveness and questioning within a deliberately political framework
