Radical Charity Christopher Marlin-Warfield, 2019-06-05 Right now there is a movement in churches and nonprofits arguing that charity is toxic that helping hurts and that the entire nonprofit sector needs to be reformed to truly lift people out of poverty These charity skeptics are telling Christians that traditional charity deepens dependency fosters a sense of entitlement and erodes the work ethic of people who receive it Charity skepticism is increasingly popular and it is almost certainly wrong Radical Charity weaves together research and scholarship on topics as diverse as biblical scholarship Christian history economics and behavioral psychology to tell a different story In this story charity is the heart of Christianity and one of the most effective ways that we can help people who are living in poverty Charity giving to people experiencing poverty without any expectation of return or reformation can save the world and help make God's vision for the church a reality
