

Being a cop, or a cop's wife, is like living in your own country, a parallel nation to the US, one with its own language, own rules, own secrets.

Examining The Wire Ryan Twomey,2020-07-31 This book

examines *The Wire*'s authenticity and its establishment of the series' realism. Along with tracing creator David Simon's onscreen critique of numerous failed American institutions, the book focuses on the connection between authenticity and realism in three distinct areas: language, character, and location. While it is shown that *The Wire* is indeed authentic, the study examines occasions where the language, characters, and even the location are curated. Yet while we can witness these moments of curation, it is *The Wire*'s unflinching focus on authentic dialogue, authentic characterisation, and an authentic location that makes the series the most realistic and arguably the best television show of all time.

The Police in a Free Society Todd Douglas, 2017-09-15 An unprecedented look at the evolution of American police from fulfilling their intended role as peacekeepers and guardians of citizen rights to calling themselves and acting primarily as law enforcement officers. As accusations of police misconduct and racial bias increasingly dominate the media, *The Police in a Free Society: Safeguarding Rights While Enforcing the Law* takes an unflinching look at the police, the communities they serve, and the politicians who direct them. Author Todd Douglas, a veteran state police commander, exposes the occurrences of police misconduct and incompetence, as well as incidences of charlatans who intentionally inflame racial tensions with the police for their own political or financial gain. Readers will better understand what police officers must deal with on a daily basis, grasp the role of lawmakers in keeping faith with the public, and appreciate the tremendous challenges that police leaders face in attempting to reverse recent trends and shore up public confidence in police officers. This is a rare glimpse into the often ugly reality of what happens on America's streets, with insights gained from the perspective of the cop and suspect alike.

The Fantasy Girl Allan Taylor, 2017-04-07 A young woman's bludgeoned body is found floating in the ocean off Cape Cod. Strikingly attractive, with swimsuit model looks, the victim has left behind a string of male admirers and is suspected of having had ties to a local drug dealer. Because of its lurid details, the crime receives broad media coverage, and the State Police are under intense pressure to find the killer. When they seek the assistance of the local police, Brian, a young cop who is still haunted by nightmares from his combat service in Iraq, volunteers to help with the investigation. But as he delves into the victim's shadowy past, suspicions gradually begin to creep in about Brian, and whether he may have in fact played a role in the young woman's past. Struggling with his demons, Brian becomes trapped in a different kind of nightmare, this time one that is all too real. It is only the unmasking of the killer that finally unlocks the truth about Brian and about the beautiful young victim.

The Right Murder Craig Rice, 2017-11-14 A dozen murders and counting, and any one of them could lead a Chicago attorney to a hotheaded female tycoon. It's 11:59 p.m. on New Year's Eve, and criminal lawyer John J. Malone is nursing his blues in a Chicago dive bar. He's been two-timed by his inamorata and abandoned by his favorite gumshoe partners, crime reporter Jake Justus and socialite Helene Brand, for their Bermuda honeymoon. But Malone's not lonely for long. Suddenly, a stranger staggers into the bar, calls out the attorney's name, and drops dead, stabbed in the back. In his possession is a key that could

unlock the cold heart of Mona McClane a wealthy and beautiful thrill seeker who once challenged Jake in a high stakes gamble She d bet him she could get away with murder Is this dead man a pawn in Mona s game If so thank goodness Jake and Helene s honeymoon turned as sour as a margarita They re already back in town at odds yet ready to play With a crazy wager like Mona s Malone fears they ll be ringing in the New Year with a countdown of corpses The first mystery writer to ever make the cover of Time magazine Craig Rice is the Queen of the Surrealistic Crime Story Thrilling Detective The Right Murder is the 2nd book in the John J Malone Mysteries but you may enjoy reading the series in any order **Sergeant O'Leary and the L.A.P.D** Tom Swicegood,2013-09-17 Dangers and conflict are faced by police officers everywhere In a huge metropolis those threats are multiplied Law enforcement must depend upon dedicated men and women bravely working together to keep each other safe Or so one might expect Sergeant OLeary and the L A P D tells a different story This is the truth authorities in the City of Angels did not want printed It is the story of a Los Angeles police officer who battled internal harassment and threats to his life yet refused to be run out of the L A P D Why was Sergeant OLeary faced with such problems Because other police officers thought he was gay I better never have to work with a queer If I do Ill wait until some night when theres a burglary call and were in a dark building states a Los Angeles patrolman My 45 will accidentally take care of him One shot to the head No more fag No more problem This will be a better world Such threats are not idle Homophobic officers provide drama and suspense Uncontrolled cops in Rampart Division beat Hispanics and blacks There are gunfights in 77th and a storm at Venice Beach Yet parts of OLearys story are genuinely funny Here are tales of a deer shot and killed in the bloody back seat of a speeding patrol vehicle of a too generously endowed academy recruit of cops playing chicken with squad cars in Beverly Hills after midnight and married men in blue looking for easy dates Its all entertaining
