The Uses Of Failure In Mexican Literature And Identity:

The Uses of Failure in Mexican Literature and Identity John A. Ochoa, 2013-09-06 While the concept of defeat in the Mexican literary canon is frequently acknowledged it has rarely been explored in the fullness of the psychological and religious contexts that define this aspect of mexicanidad Going beyond the simple narrative of self defeat *The Uses of Failure in Mexican Literature and Identity* presents a model of failure as a source of knowledge and renewed self awareness Studying the relationship between national identity and failure John Ochoa revisits the foundational texts of Mexican intellectual and literary history the national monuments and offers a new vision of the pivotal events that echo throughout Mexican aesthetics and politics *The Uses of Failure in Mexican Literature and Identity* encompasses five centuries of thought including the works of the Conquistador Bernal Díaz del Castillo whose sixteenth century *True History of the Conquest of New Spain* formed Spanish speaking Mexico's early self perceptions Jos Vasconcelos the essayist and politician who helped rebuild the nation after the Revolution of 1910 and the contemporary novelist Carlos Fuentes A fascinating study of a nation's volatile journey towards a sense of self *The Uses of Failure* elegantly weaves ethical issues the philosophical implications of language and a sociocritical examination of Latin American writing for a sparkling addition to the dialogue on global literature

The Uses of Failure in Mexican Literature and Identity John Andrés Ochoa, 1999 **Global Failure and World Literature** Karen Borg Cardona, 2023-10-24 While the contemporary era has witnessed a series of spectacular failures with severe and widespread global consequences failure is still broadly understood on an individual level while its broader causes and consequences receive little attention This book reconceptualises failure as a method for characterising and critiquing systems and institutions on both a global and a local level It defines global failure as comprising global inequality economic crisis and ecological disaster and as a condition which informs and is informed by localised failure It examines the negotiation between global and local failure in narratives of failed quests by four contemporary authors Cormac McCarthy Julia Kristeva Michael Ondaatje and Basma Abdel Aziz As a genre the quest narrative is associated with the idea of hard won success The failed quest narrative or the narrative of the failed quest is therefore the ideal vehicle through which to examine the socio political and institutional conditions of failure Primarily a contribution to the field of world literature this book is also relevant to those with an interest in the contemporary novel failure studies and the quest narrative

The Films of Arturo Ripstein Manuel Gutiérrez Silva, Luis Duno Gottberg, 2019-10-24 This book gathers eleven scholarly contributions dedicated to the work of Mexican director Arturo Ripstein The collection the first of its kind constitutes a sustained critical engagement with the twenty nine films made by this highly acclaimed yet under studied filmmaker The eleven essays included come from scholars whose work stands at the intersection of the fields of Latin American and Mexican Film Studies Gender and Queer Studies Cultural Studies History and Literary studies Ripstein's films often scripted by his long time collaborator Paz Alicia Garciadiego represent an unprecedented achievement in Mexican and Latin American film

Unlike many of his contemporaries Ripstein has successfully maintained a prolific output unmatched by any director in the region Though several book length studies have been published in Spanish French German and Greek to date no analogue exists in English This volume provides a much needed contribution to the field *The Transnational Fantasies of Guillermo del Toro* A. Davies, D. Shaw, D. Tierney, 2014-10-02 Offering a multifaceted approach to the Mexican born director Guillermo del Toro this volume examines his wide ranging oeuvre and traces the connections between his Spanish language and English language commercial and art film projects **Flaubert, Beckett, NDiaye** Andrew Asibong, Aude Campmas, 2017-01-23 Gustave Flaubert Samuel Beckett and Marie NDiaye can be considered as visionaries of a peculiarly radical form of failure their protagonists and texts alike sliding inexorably into unmanageable states of paradox incompleteness and disintegration What are the implications of these authors experiments in splitting and negativity experiments which seem to indulge the most cynical aspects of nihilism whilst at the same time grappling with the very foundations of politicized and psychic truth In this unusual edited volume of comparative analyses Andrew Asibong and Aude Campmas bring together ten provocative and illuminating essays each of which approaches the various failures of the bizarre trio of canonical francophone writers along three principal axes of investigation the aesthetic the emotional and the political *Essays in Honor of Lois Parkinson Zamora* John Ochoa, Monika Kaup, 2022-10-03 Honoring the lifework of the comparative literature scholar From the Americas to the World *Essays in Honor of Lois Parkinson Zamora* traces artistic and cultural pathways that connect Latin American literature and culture to the Americas and to the world beyond The essays in this collection cover three critical fields comparative hemispheric American literature magical realism and the Baroque New World Baroque Neobaroque Beginning with a critical reassessment of hemispheric American studies these essays analyze the works of a wide array of writers such as Roberto Bolaño Alejo Carpentier Gabriel García Márquez Waldo Frank and José Lezama These chapters build upon the legacy of the scholarship done by Dr Zamora and exemplify the pattern of literary studies that she has driven forward Mexican American Colonization During the Nineteenth Century José Ángel Hernández, 2012-04-30 This study examines various cases of return migration from the United States to Mexico throughout the nineteenth century Mexico developed a robust immigration policy after becoming an independent nation in 1821 but was unable to attract European settlers for a variety of reasons As the United States expanded toward Mexico's northern frontiers Mexicans in those areas now lost to the United States were subsequently seen as an ideal group to colonize and settle the fractured republic The Comic Book Western Christopher Conway, Antoinette Sol, 2022-06 The *Comic Book Western* explores how the myth of the American West played out in popular comics from around the world **Serial Mexico** Amy E. Wright, 2023-07-01 Honorable Mention Katherine Singer Kovacs Prize Modern Language Association 2023 Honorable Mention Premio al Mejor Libro en Humanidades Latin American Studies Association Mexico Section 2025 No book until now has tied in two centuries of Mexican serial narratives tales of glory of fame and of epic characters grounded in oral folklore

with their subsequent retelling in comics radio and television soap operas Wright's multidisciplinary *Serial Mexico* delves into this storytelling tradition examining the nostalgic tales reimagined in novelas radionovelas telenovelas and onwards and examining the foundational figures who have been woven into society This panorama shows the Mexican experience of storytelling from the country's early days until now showcasing protagonists that mock authority make light of hierarchy and embrace the hybridity and mestizaje of Mexico These tales reflect on and respond to crucial cultural concerns such as family patriarchy gender roles racial mixing urbanization modernization and political idealism *Serial Mexico* thus examines how serialized storytelling's melodrama and sensationalism reveals key political and cultural messaging In a detailed yet accessible style Wright describes how these stories have continued to morph with current times concerns and social media Will tropes and traditions carry on in new and reimagined serial storytelling forms Only time will tell Stay tuned for the next episode

The Passage to Cosmos Laura Dassow Walls, 2011-11-15 Humboldt offered the world a vision of humans nature as integrated halves of a single whole He espoused the idea that while the universe of nature exists apart from human purpose its beauty order are human achievements Laura Dassow Walls traces the emergence of this philosophy to Humboldt's 1799 journey to America

Living On After Failure Irving Goh, 2025-08-08 Rather than understanding failure as something to overcome Irving Goh dwells with failure and all of its negative affects to consider new ways of living beyond the failure success binary

The Picaresque and the Writing Life in Mexico Jorge Téllez, 2021-05-15 This book studies picaresque narratives from 1690 to 2013 examining how this literary form serves as a reflection on the material conditions necessary for writing literature in Mexico In *The Picaresque and the Writing Life in Mexico* Jorge Téllez argues that Mexican writers have drawn on the picaresque as a device for pondering what they regard as the perils of intellectual and creative labor Surveying ten narratives from 1690 to 2013 Téllez shows how by and large all of them are iterations of the same basic structure p caro meets writer p caro tells life story writer eagerly writes it down This written mediation sometimes fictional but other times completely factual is presented as part of a transaction in which it is rarely clear who is exploiting whom Highlighting this ambiguity Téllez's study brings into focus the role that the picaresque has played in the presentation of writers as disenfranchised and vulnerable subjects But as Téllez demonstrates these narratives embody a discourse of precarity that goes beyond p caros and applies to all subjects who engage in the production and circulation of literature In this way Téllez shows that the literary form of the picaresque is above all a reflection on the value of literature as well as on the place and role of writing in Mexican society more broadly *The Picaresque and the Writing Life in Mexico* is a unique work that suggests new paths for studying the reiteration of literary forms across centuries Looking at the picaresque in particular Téllez offers a new interpretation of this genre within its national context and suggests ways in which this genre remains relevant for reflecting on literature in contemporary society It will be of interest to students and scholars of Latin American studies Mexican cultures and literatures and comparative literature

Alcohol and Nationhood in Nineteenth-Century Mexico

Deborah Toner, 2015 Drawing on an analysis of issues surrounding the consumption of alcohol in a diverse range of source materials including novels newspapers medical texts and archival records this lively and engaging interdisciplinary study explores sociocultural nation building processes in Mexico between 1810 and 1910 Examining the historical importance of drinking as both an important feature of Mexican social life and a persistent source of concern for Mexican intellectuals and politicians Deborah Toner's *Alcohol and Nationhood in Nineteenth Century Mexico* offers surprising insights into how the nation was constructed and deconstructed in the nineteenth century Although Mexican intellectuals did indeed condemn the physically and morally debilitating aspects of excessive alcohol consumption and worried that particularly Mexican drinks and drinking places were preventing Mexico's progress as a nation they also identified more culturally valuable aspects of Mexican drinking cultures that ought to be celebrated as part of an authentic Mexican national culture The intertwined literary and historical analysis in this study illustrates how wide ranging the connections were between ideas about drinking poverty crime insanity citizenship patriotism gender sexuality race and ethnicity in the nineteenth century and the book makes timely and important contributions to the fields of Latin American literature alcohol studies and the social and cultural history of nation building

Humboldt's Mexico Myron Echenberg, 2017-06-01 A study of a gifted scientist and visionary who embodies the spirit of adventure and discovery

Historical Dictionary of Mexico Amelia M. Kiddle, Ryan Alexander, 2024-07-02 Tracing the historical development of Mexico from the pre Hispanic period to the present the *Historical Dictionary of Mexico Third Edition* is an excellent resource for students teachers researchers and the general public This reference work includes a detailed chronology an introduction surveying the country's history and an extensive bibliography The dictionary section includes cross referenced entries on the historical actors who shaped Mexican history as well as entries on politics government the economy culture and the arts

Baroque New Worlds Lois Parkinson Zamora, Monika Kaup, 2010-07-13 Traces the changing nature of Baroque representation across European and Latin American cultures from an imperial aesthetic encoding Catholic ideologies into a means of resistance to colonialism into a mode of postcolonial self definition

Photopoetics at Tlatelolco Samuel Steinberg, 2016-01-15 In the months leading up to the 1968 Olympic games in Mexico City students took to the streets calling for greater democratization and decrying crackdowns on political resistance by the ruling PRI party During a mass meeting held at the Plaza of the Three Cultures in the Tlatelolco neighborhood paramilitary forces opened fire on the gathering The death toll from the massacre remains a contested number ranging from an official count in the dozens to estimates in the hundreds by journalists and scholars Rereading the legacy of this tragedy through diverse artistic political interventions across the decades *Photopoetics at Tlatelolco* explores the state's dual repression both the massacre's crushing effects on the movement and the manipulation of cultural discourse and political thought in the aftermath Examining artifacts ranging from documentary photography and testimony to poetry essays chronicles cinema literary texts video and performance Samuel Steinberg considers the broad

photographic and photopoetic nature of modern witnessing as well as the specific elements of light gunfire flares camera flashes that ultimately defined the massacre Steinberg also demonstrates the ways in which the labels of massacre and sacrifice inform contemporary perceptions of the state's blatant and violent repression of unrest With implications for similar processes throughout the rest of Latin America from the 1960s to the present day Photopoetics at Tlatelolco provides a powerful new model for understanding the intersection of political history and cultural memory

How Myth Became History John Emory Dean, 2016-03-17 The book explores how border subjects have been created and disputed in cultural narratives of the Texas Mexico border comparing and analyzing Mexican Mexican American and Anglo literary representations of the border Provided by publisher *Historical Dictionary of Latin American Literature and Theater*

Richard Young, Odile Cisneros, 2010-12-18 The Historical Dictionary of Latin American Literature and Theater provides users with an accessible single volume reference tool covering Portuguese speaking Brazil and the 16 Spanish speaking countries of continental Latin America Argentina Bolivia Chile Colombia Costa Rica Ecuador El Salvador Guatemala Honduras Mexico Nicaragua Panama Paraguay Peru Uruguay and Venezuela Entries for authors ranging from the early colonial period to the present give succinct biographical data and an account of the author's literary production with particular attention to their most prominent works and where they belong in literary history The introduction provides a review of Latin American literature and theater as a whole while separate dictionary entries for each country offer insight into the history of national literatures Entries for literary terms movements and genres serve to complement these commentaries and an extensive bibliography points the way for further reading The comprehensive view and detailed information obtained from all these elements will make this book of use to the general interest reader Latin American studies students and the academic specialist

The Uses Of Failure In Mexican Literature And Identity Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Uses Of Failure In Mexican Literature And Identity PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing

individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Uses Of Failure In Mexican Literature And Identity PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Uses Of Failure In Mexican Literature And Identity free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
