While vampire stories have been part of popular culture since the beginning of the nineteenth century it has been in recent decades that they have become a central part of American culture Vampire Legends in Contemporary American Culture looks at how vampire stories from Bram Stoker s Dracula to Blacula from Bela Lugosi s films to Love at First Bite have become part of our ongoing debate about what it means to be human William Patrick Day looks at how writers and filmmakers as diverse as Anne Rice and Andy Warhol present the vampire as an archetype of human identity as well as how many post modern vampire stories reflect our fear and attraction to stories of addiction and violence He argues that contemporary stories use the character of Dracula to explore modern values and that stories of vampire slayers such as the popular television series Buffy the Vampire Slayer integrate current feminist ideas and the image of the Vietnam veteran into a new heroic version of the vampire story **The Sci-Fi Movie Guide** Chris Barsanti,2014-09-22

The Dracula Dilemma Duncan Light, 2016-03-23 For many in the West Romania is synonymous with Count Dracula Since the publication of Bram Stoker's famous novel in 1897 Transylvania and by extension Romania has become inseparable in the Western imagination with Dracula vampires and the supernatural Moreover since the late 1960s Western tourists have travelled to Transylvania on their own searches for the literary and supernatural roots of the Dracula myth Such Dracula tourism presents Romania with a dilemma On one hand Dracula is Romania's unique selling point and has considerable potential to be exploited for economic gain On the other hand the whole notion of vampires and the supernatural is starkly at odds with Romania's self image as a modern developed European state This book examines the way that Romania has negotiated Dracula tourism over the past four decades During the communist period up to 1989 the Romanian state did almost nothing to encourage such tourism but reluctantly tolerated it However some discrete local initiatives were developed to cater for Dracula enthusiasts that operated at the margins of legality in a communist state In the post communist period after 1989 any attempt to censor Dracula has disappeared and the private sector in Romania has been swift to exploit the commercial possibilities of the Count However the Romanian state remains ambivalent about Dracula and continues to be reluctant to encourage or promote Dracula tourism As such Romania's dilemma with Dracula remains unresolved

Escaping the Vampire Kimberly Powers, 2009-11-01 Since 2005 the wildly popular Twilight saga has sold more than 42 million copies 20 million in 2008 alone with translations into 37 different languages around the globe Millions of teen girls are fanatical about these books Vampire lit is hot But why is that Kimberly Powers knows that at the core of every young woman's heart is a longing to be truly madly deeply loved And that's what's so compelling about the Bella Edward story the fantasy of a hero who is eternally attracted fiercely protective and passionately committed Powers taps into this using the vampire allusion to help girls explore what it is about the story that has captured their hearts Weaving vampire lore with biblical truths and real

life stories she helps girls move beyond the fantasy to discovery of the true Lover of their soul Vampires from Another World Simon Bacon,2021-06-04 This book begins at the intersection of Dracula and War of the Worlds both published in 1897 London and describes the settings of Transylvania Mars and London as worlds linked by the body of the vampire It explores the vampire from another world in all its various forms as a manifestation of not just our anxieties around alien others but also our alien selves Unsurprisingly many of the tropes these novels generated and particularly the themes they have in common have been used and adapted by vampire narratives that followed From Nosferatu to Alien Interstellar Stranger Things and many others this book examines how these narratives have evolved since the end of the nineteenth century Bringing together texts and films from across the 19th 20th and 21st centuries from the far reaches of outer space and the distant future it concludes that the unexpected and the unknown are not always to be feared and that humanity does have the power to write its own future The Alien Book Nick Redfern,2019-09-01 Unmasking the mysteries of alien life on earth Make mention of the word alien and it conjures images of black eyed large headed dwarfish beings that have come to be known as the Greys Indeed Greys have become a staple part of pop culture never mind just the field of UFO research They ve appeared in Steven Spielberg s classic 1977 movie Close Encounters of the Third Kind They regularly popped up in The X Files And of course there are numerous people all across the world who claim to have been abducted by the Greys and subjected to intrusive medical experiments Yet before the 1950s the Greys were nowhere in sight The Alien Book A Guide to Extraterrestrial Beings on Earth shows that extraterrestrial life comes in all kinds appearances sizes and bodies They all have one thing in common however the human race has encountered them and we continue to do so today Not just dozens or even hundreds but thousands of eyewitness experiences have been reported Covering hundreds of extraterrestrial life forms in more than 40 thematic chapters this absorbing look at the mysteries of aliens on earth includes the Space Brothers long haired very human looking ETs the fiendish Reptilians seven to eight foot tall predatory shapeshifters Men in Black beings extremely pale skinned tall and with huge eyes Black eyed Children anemic looking kids with solid black eyes that might be ET human hybrids Bigfoot the werewolf like Dogmen jellyfish style aliens that soar around the skies of our world the Shadow People dangerous humanoids that terrorize people legendary Nephilim space vampires insect like aliens that resemble a giant praying mantis and many many more The Alien Book investigates the full range of sentient alien life forms Some are benign and others downright deadly Some are small like a germ or virus that has NASA creating guidelines to deal with an outbreak of an extraterrestrial germ Some are big like a giant praying mantis or the biblical Goliath They all lurk on Earth and in this chilling book With more than 120 photos and graphics this tome is richly illustrated Its helpful bibliography and extensive index add to its usefulness **The Vampire Almanac** J. Gordon Melton,2021-10-01 Grab a stake a fistful of garlic a crucifix and holy water as you enter the dark blood curdling world of the original pain in the neck in this ultimate collection of vampire facts fangs and fiction What accounts for the undying fascination people have for vampires How did encounters

with death create centuries old myths and folklore in virtually every culture in the world When did the early literary vampires as pictured by Goethe Coleridge Shelly Polidori Byron and Nodier as the personifications of man s darker side transform from villains into today s cultural rebels Showing how vampire like creatures organically formed in virtually every part of the world The Vampire Almanac The Complete History by renowned religion expert and fearless vampire authority J Gordon Melton Ph D examines the historic societal and psychological role the vampire has played and continues to play in understanding death man s deepest desires and human pathologies It analyzes humanity s lusts fears and longing for power and the forbidden Today the vampire serves as a powerful symbol for the darker parts of the human condition touching on death immortality forbidden sexuality sexual power and surrender intimacy alienation rebellion violence and a fascination with the mysterious The vampire is often portrayed as a symbolic leader advocating an outrageous alternative to the demands of conformity Vampires can also be tools for scapegoating such as when women are called vamps and bosses are described as bloodsuckers Meet all of the villains anti heroes and heroes of myths legends books films and television series across cultures and today s pop culture in The Vampire Almanac It assembles and analyzes hundreds of vampiric characters people and creatures including Buffy the Vampire Slayer Vlad the Impaler Edward Cullen and The Twilight Saga Bram Stoker Lestat De Lioncourt and The Vampire Chronicles Lon Chaney True Blood Bela Lugosi Dracula Dark Shadows Lilith Vampire Weekend Batman Nosferatu and so many more There is a lot to sink your teeth into with this deep exhumation of the undead Quench your thirst for facts histories biographies definitions analysis immortality and more This gruesomely thorough book of vampire facts also has a helpful bibliography an extensive index and numerous photos adding to its usefulness

Approaches to Teaching Stoker's Dracula William Thomas McBride, 2025-03-03 This volume helps teachers contextualize Bram Stoker s Dracula in its historical and cultural moment considering psychology technology gender roles colonialism and anxieties about the other It also situates the novel among the kindred texts that have proliferated since its publication from film and television to the growing genre of vampire novels Essays explore the novel in terms of medical humanities contagion and the gothic as well as ethnicity identity and race Contributors analyze Dracula in the context of various ancient and modern cultural productions including classical Indian aesthetics and African American vampire literature and describe a broad range of classroom settings including a technical university a Hispanic serving institution and others

Ancient Gods Jim Willis, 2017-02-14 Where do we come from What are the origins of modern civilization Do the world s pyramids the Nazca Lines Easter Island statues and other enigmatic structures archeological wonders and geographic anomalies contain evidence of ancient gods Sifting through the historical and archaeological evidence Ancient Gods Lost Histories Hidden Truths and the Conspiracy of Silence by ordained minister Jim Willis probes the myths stories history and facts of ancient civilizations lost technologies past catastrophes archetypal astronauts and bygone religions to tease out the truth of our distant past and modern existence It takes an in depth look at the facts fictions and controversies

of our ancestors origins who we are as a people and who might have come before us Ancient Gods tackles more than 60 nagging stories of ancient gods ancestors alien visitors theories and explanations such as 40 000 years ago why did our ancestors across Europe and Asia crawl deep underground sometimes as much as a mile to paint magnificent images on the walls of caves How did the megalithic temple site called G bekli Tepe come to be built 11 600 years before the agricultural revolution and before humans learned how to grow their own food How were massive stones weighing up to four tons dragged 140 miles across England to build Stonehenge Who and why were pyramids built on the equatorial band circling the earth What does modern DNA analysis tell us of mankind s heritage Are we to believe the Ancient Alien Theory Along the way Willis examines human history and searches for the sparks of contemporary society It also includes a helpful bibliography and an extensive index adding to its usefulness

Dracula and Other Vampires Heather Moore Niver, 2015-07-15 This is an entertaining look at the vampire phenomenon Beginning with a full bodied history on the appearance of vampires in early literature and moving on to more modern film and television iterations including Twilight True Blood and even Count von Count on Sesame Street this book takes a bite out of vampire lore to show how readers and theatergoers have always been fascinated by these creatures of the night It also explains how vampires have changed physically over the years a major feat for an undead creature The resource ends with a filmography that gives details on most major vampire films
