Eckhard J. Schnabel

The Very Large Church New Rules For Leaders:

The Very Large Church Lyle E. Schaller, 2000 One of the most crucial changes in North American life Lyle E Schaller explains has been the shift from small to large institutions Sixty years ago one teacher one room schoolhouses still abounded and the average number of students in all American schools was one hundred Now new construction on elementary schools is often for facilities that will accommodate more than twelve hundred students and average school size is over six hundred Similar changes have happened in several other branches of American life These changes Schaller contends mean that the rules have changed for everyone involved in organizational life Very large churches megachurches will increasingly come to embody the new rule book for congregations Extending their mission far beyond a single local neighborhood they will draw large numbers of visitors helping them move progressively from skeptics or seekers to believers to learners to disciples to apostles The Very Large Church was written for those congregational leaders both volunteer and paid staff who recognize that their old rule book is obsolete and who are eager to learn how to participate effectively in the very large church in a context that is defined by the culture the societal context clearly defined expectations a theological belief system a passion for evangelism a high level of competence creativity innovation and a new and different set of rules rather than by local traditions geographical boundaries or yesterday s stereotypes Key Features Focuses on issues in organization life Schaller s strong suit Addresses a tendency that is growing today Key Benefits Places the shift to large churches within the context of a cultural shift from small to large institutions Demonstrates how and why the old rule book for organizational structure must change Helps church leaders understand how to make the transition to the megachurch culture while retaining Christian integrity

Wisdom from Lyle E. Schaller Lyle E. Schaller, 2012-10-01 One poll declared him the most influential American church leader of the last 100 years Lyle E Schaller has written literally millions of words of insight and advice for church leaders His books alone number nearly 60 titles and span 40 years of publication beginning in 1964 Now this single volume makes available his best insights organized by topic and framed with fascinating background perspective of Schaller himself This volume both introduces Schaller to a new generation of church leaders and is a handy resource for those who grew up on Schaller s writing and count him as a major ministry influence

Sexual Misconduct and the Future of Mega-Churches Glenn L. Starks, 2013-03-07 Why have multiple mega church leaders Ted Haggard and Bishop Eddie Long for example committed acts of sexual misconduct This book discusses the reasons in depth and examines how these acts are impacting the future of megachurches Mega churches churches with congregations that number in the thousands of worshippers are growing in popularity in America and around the world Shockingly a growing number of megachurch leaders have committed acts of sexual misconduct While these scandalous crimes have received much attention through the media literature that examines the topic in detail has been lacking This book examines the various aspects of sexual misconduct by megachurch leaders providing a comprehensive review of the topic that discusses the direct and indirect

reasons for these crimes The book provides unbiased factual coverage of megachurch sexual abuse cases covering issues surrounding the victims in specific cases the role of the church and notable ministers such as Ted Haggard of New Life Church Colorado Springs CO Bishop Eddie Long of New Birth Missionary Baptist Church Lithonia GA and Joe Barron of Prestonwood Baptist Church Dallas TX The author also discusses how these incidences have impacted societal perceptions of religion and large churches and religious organizations and provides recommendations to curb future cases of sexual abuse within megachurches

Pastoral Care and Counseling in Large/Mega Congregations Jean Beedoe, 2016-08-04 Church growth in metropolitan communities motivated a short study concerning the pastoral care and counseling of immigrants specifically Black Caribbean congregants in large mega congregations Culture denomination history and interpretations of scripture enter into the dynamics of defining not only the pastoral office of leaders but their perception of care The phenomenological cycle of care is said to exist as an exchange happens between caregivers and care receivers Such an exploration of three congregations opened up rare concepts of the psycho social and spiritual nature that guide interpersonal relationships of family systems across cultures Large mega congregations desire women s as well as men s style of nurturing and of fellowship that form the characteristics of a sharing caring congregation The study implicated a need for more comprehensive interdisciplinary teaching methods to train church leaders and clergy It signals for an approach in practical theology to develop curricula for spiritual health of cultural plurality in congregations and community

Inside the Large Congregation Susan Beaumont, 2011-10-25 For five years Alban Institute senior consultant Susan Beaumont has been giving voice to the organizational and leadership demands of large congregations Through her work she has identified five basic leadership systems that need to stay in alignment for the large church to function well for its size clergy leadership roles staff team design and function governance and board function acculturation and the role of laity and forming and executing strategy She has also learned that these five systems operate with some important but subtle distinctions in what Beaumont calls the professional church 400 800 in worship attendance the strategic church 800 1 200 and the matrix church 1 200 2 000 Often she has discovered problems in a large congregation are related to the fact that one or more of the five systems is inappropriately structured for the size of the congregation In other words the church isn t acting its size Beaumont is invested in helping large congregations rightsize their leadership systems to better serve their ministry context This book articulates why size matters and how it matters in the world of large congregations It is written for anyone who wants to better understand the leadership and organizational dynamics of the large church anyone seeking to understand the challenges of leading from inside the large congregation

Winning On Purpose Dr. John E. Kaiser, Thomas G. Bandy, Bill Easum, 2010-09-01 Do you really want the mission to succeed Are you prepared to live within clear boundaries Are you ready to align yourself with a greater purpose Do you have what it takes Winning on Purpose offers leaders a way to organize congregations for success by creating structures that enable church life and health As a comprehensive and powerful

application of the biblical call to mission Winning on Purpose sets forth the Accountable Leadership strategy This model of leadership brings together standards for mission boundaries and accountability and then shows how these standards come to life through the performance of four key players the board the pastor the staff and the congregation To read a sample from the book click here [Taking Your Church to the Next Level](#) Gary L. McIntosh,2009-09-01 All local churches experience a predictable life cycle of growth and decline But if a church is on a downward trend how can it turn around Taking Your Church to the Next Level explains the impact of age and size on churches and outlines the improvements that must be made at each point for a church to remain fruitful and faithful to its mission McIntosh deftly describes the cycles of fruitfulness and the importance of continual improvement to diminish destructive forces that keep a congregation from its mission Church leaders pastors and all who care about the church and desire to see it experience biblical growth will benefit from the sage wisdom offered in these pages [Avoiding Pastoral Pitfalls](#) James Osterhaus,2021-01-01 James P Osterhaus offers pastors tangible and much needed advice to help them at work and in their personal lives advice that they do not often hear in seminary More and more men and women who minister find themselves depressed Their marriages are often in trouble Their families are negatively affected Often they have few if any close friends Over the years Osterhaus has coached and counseled hundreds of these ministers from various traditions on four continents As he sat with ministers who have been nearly crushed by the burdens of ministry he came to learn that the average training of ministers across the globe is woefully deficient in the very areas that allow ministers to avoid many of the pitfalls This guide is a result of those countless conversations Avoiding Pastoral Pitfalls is an attempt to fill some of the void left in the training of pastors It offers down to earth practical guidance in areas of ministry that are often neglected understanding yourself both strengths and weaknesses what effective leadership looks like the complicated organizational makeup of the church how to deal with conflict effectively how to make sense of your governing board and how to both enter a new ministry and leave a ministry effectively **A Mosaic of Believers** Gerardo Marti,2009-10-26 Mosaic in southern California is one of the largest and most innovative multiethnic congregations in America Gerardo Marti shows us how this unusual church has achieved multiethnicity not by targeting specific groups but by providing multiple havens of inclusion that play down ethnic differences He reveals a congregation aiming to reconstruct evangelical theology personal identity member involvement and church governance to create an institution with greater relevance to the social reality of a new generation **Go BIG** Bil Cornelius,Bill Easum,2010-03-01 Bill Easum and Bil Cornelius are two strikingly different yet surprisingly similar pastors One undertook to revitalize a moribund mainline church the other to plant a new nondenominational congregation Coming from different generations their ministries took place under dissimilar circumstances Yet both have experienced substantial even explosive growth in congregational mission and membership Along the way they learned some important lessons such as the centrality of strong pastoral leadership the need for an unhesitating pursuit of excellence in all areas of the church s ministry and the requirement that you picture an

audacious vision for your church and live into that vision Regardless of the current size of your church you will find here inspiring ready to implement ideas to help your church go BIG *Better Together* Robert D. Putnam, Lewis Feldstein, 2009-12-01 In his acclaimed bestselling book *Bowling Alone The Collapse and Revival of American Community* Robert Putnam described a thirty year decline in America's social institutions The book ended with the hope that new forms of social connection might be invented in order to revive our communities In *Better Together* Putnam and longtime civic activist Lewis Feldstein describe some of the diverse locations and most compelling ways in which civic renewal is taking place today In response to civic crises and local problems they say hardworking committed people are reweaving the social fabric all across America often in innovative ways that may turn out to be appropriate for the twenty first century *Better Together* is a book of stories about people who are building communities to solve specific problems The examples Putnam and Feldstein describe span the country from big cities such as Philadelphia San Francisco and Chicago to the Los Angeles suburbs small Mississippi and Wisconsin towns and quiet rural areas The projects range from the strictly local to that of the men and women of UPS who cover the nation *Bowling Alone* looked at America from a broad and general perspective *Better Together* takes us into Catherine Flannery's Roxbury Massachusetts living room a UPS loading dock in Greensboro North Carolina a Philadelphia classroom the Portsmouth New Hampshire naval shipyard and a Bay Area Web site We meet activists driven by their visions each of whom has chosen to succeed by building community Mexican Americans in the Rio Grande Valley who want paved roads running water and decent schools Harvard University clerical workers searching for respect and improved working conditions Waupun Wisconsin schoolchildren organizing to improve safety at a local railroad crossing and merchants in Tupelo Mississippi joining with farmers to improve their economic status As the stories in *Better Together* demonstrate bringing people together by building on personal relationships remains one of the most effective strategies to enhance America's social health **Beyond Megachurch Myths** Scott Thumma, Dave Travis, 2007-08-10 Drawing on extensive broad based and well designed research as well as stories and anecdotes *Beyond Megachurch Myths* dispels popular myths about megachurches while highlighting the diversity within the megachurch phenomenon Defining a megachurch as a Protestant church that averages at least 2000 total attendees in their weekend services Scott Thumma and Dave Travis reveal what these churches are and are not why they are thriving what their members say about their experiences and why they have many valuable lessons to teach smaller churches **Paul the Missionary** Eckhard J. Schnabel, 2010-01-28 Drawing on his monumental scholarly study *Early Christian Mission Volume 2* Eckhard J. Schnabel gives us an overview of Paul's missionary practices strategies and methods and then weighs contemporary evangelical missiology and practice in light of Paul *Dare to Care* Dr. David J Paul, 2018-05-15 This book contains a prescription for a healthier workplace that can result into a sustainable competitive advantage for your firm Based on recent research you will be able to rearchitect your company give up sleepless nights and help yourself and others experience new levels of

productivity health and engagement at work Whether you are a CEO a supervisor an employee or someplace in between knowing and applying these techniques and ideas will change your life It is built on the notion that people want to contribute to the success of their workplace [Taking Faith Seriously](#) Mary Jo. Bane,Brent. Coffin,Richard Higgins,2009-06-30

Whether simply uneasy or downright hostile the relation between religion and liberal democracy in this country has long been vexed and complex and crucial to what America is and aspires to be Amid increasingly contentious exchanges over fundamentalism abortion rights secularism and pluralism this book reminds us of the critical role that religion plays in the health and well being of a democracy **Spin-Off Churches** Rodney Harrison,Tom Cheyney,Don Overstreet,2008 Veteran missional church planters present a much needed how to resource for churches desiring to sponsor the planting of other new churches locally and globally *Christian Education* Freddy Cardoza,2019-11-05 This introductory textbook solidly situates

Christian education in the church and ministry context of the 21st century With over 20 years of ministry teaching and leadership experience Freddy Cardoza is uniquely qualified to bring together a wide range of Christian educators This volume features the expertise of 25 evangelical scholars of Christian education including diverse next generation voices in the field It provides balanced biblical theological and practical perspectives for church and parachurch leaders equipping them to meet the ever changing needs of our world Additional resources for professors and students are available through Textbook eSources **Reproducible Pastoral Training** John Patrick O'Connor,George Patterson,2006 Patrick O Connor highlights specific action oriented principles from the teachings of George Patterson as he guides the reader through the various aspects of cross cultural ministry the gathering of new believers the development of new churches the mobilization of new churches into a movement the training of new leaders and the departure of the pioneering ministers *Religious Leadership* Sharon Henderson Callahan,2013-05-20 This 2 volume set within The SAGE Reference Series on Leadership tackles issues relevant to leadership in the realm of religion It explores such themes as the contexts in which religious leaders move leadership in communities of faith leadership as taught in theological education and training religious leadership impacting social change and social justice and more Topics are examined from multiple perspectives traditions and faiths Features Benefits By focusing on key topics with 100 brief chapters we provide students with more depth than typically found in encyclopedia entries but with less jargon or density than the typical journal article or research handbook chapter Signed chapters are written in language and style that is broadly accessible Each chapter is followed by a brief bibliography and further readings to guide students to sources for more in depth exploration in their research journeys A detailed index cross references between chapters and an online version enhance accessibility for today s student audience

[Leaders on Leadership](#) George Barna,1998-04-22 How does a Christian lead By following today s secular business models or by simply studying the life of Christ and pursuing a servant based style In this insightful practical book George Barna has pulled together some of today s top Christian leaders to talk about the subject of Christian leadership Articles include The

Tasks of a Leader by Ken Gangel The Character of a Leader by Jack Hayford Prayer in Leading People by Peter Wagner and much more See what today s leaders have to say about leadership and learn what it takes to serve the Church as a Christ centered change agent
