The Wedding Goes On Without Us Including Bury Me Naked:

Suffering and Healing in America Raymond Downing, Beverley Hancock, 2018-10-08 This book contains a foreword by Ron Pust Professor of Family Medicine University of Arizona USA Written by a practicing physician with 30 years experience both in America and Africa Suffering and Healing in America takes a critical look at Western health care and examines its weaknesses With a thought provoking rather than prescriptive approach this extraordinary book offers a new reasoning in health care learning from history and traditional cultures Suffering and Healing in America will be of great interest to all health care professionals and researchers with an interest in public health Religious and spiritual leaders will find this book a source of inspiration and policy makers and shapers worldwide will find plenty to inform and guide their thoughts on the future of health care in America and beyond It doesn't matter whether you are a provider or a consumer of health care whether in the USA or outside this book continues to draw keenly reflective cultural insights to challenge us all America has money and science but we may have abandoned the spiritual and social context of our lives and deaths In Africa and in many other places on our planet it is quite the opposite I invite you to explore these contrasts with Ray Downing This book's lessons have much to teach us Ron Pust in the Foreword [Accessions List of the Library of Congress Office, Nairobi, Kenya](#) Library of Congress.
