The White Wolf Prophecy - Hall of Records - Book 2 Lk Kelley,2017-07-02 The White Wolf Prophecy has been handed down through thousands of years through the O Hara Clan as a forgery No one knows who penned it no one knows where the real scroll is or even if it still exists However there is one place that may hold the scroll of the original White Wolf Prophecy The Hall of Records is a mythological storehouse of Earth s history and knowledge Those who seek it say a legend locates it beneath the Great Sphinx on the Giza Plateau in Egypt Others say it is myth and does not exist However it does exist but only a small handful of trusted people in the world know of the location of The Hall of Records and it bears no resemblance to the legend If that isn t enough an unknown secondary paper exists and is the link to recasting the curse And if Zanack succeeds in finding it he will change the life of everyone on Earth It is a race between Zanack and Kaitlan to find it But his plots to destroy Kaitlan Sarah Lynne and Anita may just backfire on him and seal his doom The four women have been granted the powers of the elements and they will be called the Elementals These powers only arise when the fate of the world is in danger of ending There are always four they are always women Now they are revealed once again to save the Earth But Zanack realizes he needs the elementals for his evil plan Time is running out for him It is not just the fate of Earth but the fate of all universes that is at stake The Elementals are the key to the destruction of Zanack But could they become his pawns instead The White Wolf Prophecy is no longer a fairy tale but reality **The White Wolf Prophecy - Book 2** L.
