The White Wolf Prophecy - Hall of Records - Book 2 Lk Kelley, 2017-07-02 The White Wolf Prophecy has been handed down through thousands of years through the O Hara Clan as a forgery No one knows who penned it no one knows where the real scroll is or even if it still exists However there is one place that may hold the scroll of the original White Wolf Prophecy The Hall of Records is a mythological storehouse of Earth's history and knowledge Those who seek it say a legend locates it beneath the Great Sphinx on the Giza Plateau in Egypt Others say it is myth and does not exist However it does exist but only a small handful of trusted people in the world know of the location of The Hall of Records and it bears no resemblance to the legend If that isn't enough an unknown secondary paper exists and is the link to recasting the curse And if Zanack succeeds in finding it he will change the life of everyone on Earth It is a race between Zanack and Kaitlan to find it But his plots to destroy Kaitlan Sarah Lynne and Anita may just backfire on him and seal his doom The four women have been granted the powers of the elements and they will be called the Elementals These powers only arise when the fate of the world is in danger of ending There are always four they are always women Now they are

revealed once again to save the Earth But Zanack realizes he needs the elementals for his evil plan Time is running out for him It is not just the fate of Earth but the fate of all universes that is at stake The Elementals are the key to the destruction of Zanack But could they become his pawns instead The White Wolf Prophecy is no longer a fairy tale but reality *Arts & Humanities Citation Index* ,1999 *Prophecy of the White Wolf (the Druid and the Wolf Book #1)* Olivia Hamel,2012-02-28 A druid physician has prophesied the coming of a great white wolf that will save them Soon a white wolf pup is found in the forest and taken into the druid clan After being raised by the clan for a year the king of a nearby city decides to capture the druids and attempt to have them executed After setting off on a journey to learn how to fight will she make it back in time to save her beloved family **The White Wolf Prophecy - Scroll of Time - Book 3** Lk Kelley,2017-07-03 What if Time Travel were possible Would one be able to return in time to correct a mistake that he made the first time Wizards have held the secret to Time Travel forever but there is great sacrifice in order to do so and is the reason no one tries Kaitlan Sarah Anita and Lynne must defeat Zanack any way possible using their Elements and a sacrifice so awful it requires everything they have One secret is left for Kaitlan to find that will cause her to sacrifice more than any other in history something she knows she can't possibly do But if she can't Zanack has already won According to the Scroll of Time any changes made would cause everything to be changed in time and could easily destroy the Earth But how would it change Zanack is willing to pay the price and the sacrifice for others he will use to find a way back in time Kaitlan and only Kaitlan has to find a way to use the power that she must wield to defeat him But the terror of doing so scares her to death If she can't find the courage then all will be lost and Zanack will bring about an Earth of death and blood for all **White Wolf Rising** STELLA.
