Information Systems and Technology in the International Office of the Future Bernard Glasson, Doug Vogel, Pieter W. Bots, J. Nunamaker, 2013-06-29 Globalization of business internationalization of trade and increasing prevalence of multi cultural interdisciplinary teams are beginning to redefine the nature of office work Different time different place different culture teams will become the norm Same time same place same culture teams will become the exception The International Office of

the Future IOF will be a dramatically different environment than that which exists in the majority of today's organizations. Prospects for the IOF give rise to numerous questions which are addressed in this book: What are the salient issues? What design options or solution strategies exist to address these issues? How might these design options be best implemented? What are their implications? In addition, a number of specific topics will be discussed, including multi-cultural team productivity, IT platform requirements, and global telecommunications.
