The Granularity of Growth Patrick Viguerie,Sven Smit,Mehrdad Baghai,2011-01-13 While growth is a top priority for

companies of all sizes it can be extremely difficult to create and maintain especially in today's competitive business environment. The Granularity of Growth will put you in a better position to succeed as it reveals why growth is so important, what enables certain companies to grow so spectacularly and how to ensure that growth comes from multiple sources as you take both a broad and a granular view of your markets. The Moral Responsibilities of Companies C. Chapple, 2014-10-06. The Moral Responsibilities of Companies is a philosophical analysis of the question of whether companies can be held morally responsible for the harms they create and what implications such a view has on the moral position of employees and shareholders in these companies. *Administration and Management* Jagdish T.
