The Wings That Fly Us Home A Novel:

The Wings That Fly Us Home Dayna Dunbar, 2007-12-18 Aletta Honor's psychic gift for reading people's futures seems to have vanished overnight. What is curious is that the disappearance coincided with a mysterious visit from a Native American who came bearing an eagle feather and a cryptic message. Then there's the cousin Aletta never knew she had: a young political revolutionary on the run who suddenly appears at her doorstep and shares a shocking secret about their family. One thing's for sure: Aletta's poised for change. Her no-good alcoholic ex-husband is stirring up trouble, a new lover turns out to be bad news, and she can't bear another day of lying to unsuspecting customers. As Aletta digs deeper into her family history, her mission becomes clear. If she ever hopes to regain her clairvoyance, she must go to New Mexico to uncover her great-grandmother Adelaide's fascinating but troubling past. So with some kooky friends dying for an adventure outside the confines of their small town world, Aletta sets off for the southwest where she will finally come to understand her special talent and the real meaning of life.

Paper Hearts Debrah Williamson, 2007-08-07 From the acclaimed author of *Singing With the Top Down* comes a poignant tale about makeshift families and the healing power of friendship. Fifteen-year-old runaway Chancy Deel arrives in the picture-perfect town of Wenonah, Oklahoma, needing a helping hand. It's just her luck to get it from a cranky old man named Max Boyle, who is hardly the answer to her dreams. After losing his beloved wife, Max has only his dog Alfie and his home of fifty years to hang on to, and now Adult Protective Services is convinced he can't manage on his own. Max would rather end it all than resort to assisted living. So when he finds a throwaway kid sleeping in his garage, Max seizes one last chance for both of them. Giving Chancy a home just might prevent him from losing his. In securing a place to live, these two solitary souls will discover something much rarer: a place to belong and a heart to care. Debrah Williamson creates characters who are spunky, flawed, courageous, loveable, and above all, real. Lisa Wingate, author of *Tending Roses*.

The Saints and Sinners of Okay County Dayna Dunbar, 2007-12-18 In the tradition of Fannie Flagg and Lorna Landvik, *The Saints and Sinners of Okay County* is a heartfelt and compelling debut novel with an unforgettable heroine. It's the story of a woman whose ability to see the futures of others leads her right back into her own troubled past. It's the summer of 1976, and it seems like the entire state of Oklahoma is celebrating America's bicentennial. But in the small town of Okay, Aletta Honor has much more on her mind than flags and fireworks. She's pregnant with her fourth child and hasn't seen her husband Jimmy in weeks. Although she can guess where the hound dog has parked his red, white, and blue van in front of the local gin mill or outside the home of yet another woman for a little Yankee Doodle Diddle, discretion is not in the man's constitution. Flat broke and desperate for some cash, Aletta decides to set up a food stand on the front lawn during the Okay Czech Festival. But when a woman touches her hand in sympathy, Aletta is completely unsettled. She never touches anyone outside her family; if she does, she gets overwhelming visions of their lives and futures. It started when she was a young girl and has scared her ever since. Now Aletta immediately sees the woman in a tragic accident and gives her a warning that will

save her life When the woman returns the next day to thank her Aletta figures out how to save her own life With all the courage she can muster figuring the townsfolk will most likely think she s nuts she puts a sign in the front yard ALETTA HONOR PSYCHIC READER DROP INS WELCOME But doing readings for people opens a door she thought she had locked long ago as memories of a terrible event come flooding back She may not be able to see into her future but she realizes she must face the demons in her past if she s going to make a new life for herself and her kids First though she ll have to tell a few fortunes Poignant touching and full of the kind of wisdom that can only come straight out of the heartland Dayna Dunbar s The Saints and Sinners of Okay County is a wonderful novel of a woman who confronts pain in order to reclaim her belief in herself lay her past to rest and bring order back to a life that has veered too far off track *Awake* Dayna Dunbar,Julia Nadine Padawer,2021-10-05 Oprah Winfrey Network TV show host and 1 New York Times bestselling author Iyanla Vanzant calls *Awake* A visionary page turner Akara is home to a civilization far more evolved than our own Long ago on Akara a planet in the Pleiades cluster the Ravaging Era raged It was a time of toxic greed rampant warfare and environmental devastation Akarans were on the brink of extinction Out of the turmoil a critical mass of beings experienced an awakening which sparked a spontaneous shift in consciousness across the planet and ushered in the Rebirthing A thousand years later Mobius a candidate for the Discovery Corps Akara s elite space program stumbles upon an ancient relic The artifact reveals that a rogue space commander from the Ravaging Era attempted to colonize the Earth The legacy of his reign now places Earth in jeopardy and Mobius is compelled to try to save the precious blue planet He embarks on a quest that not only unlocks his secret destiny but also points to the possibility of a mass awakening of human consciousness A Rebirthing on Earth Get your copy of *Awake* today awakethenovel.com **Singing With the Top Down** Debrah Williamson,2006-09-05 At a time in the 1950s when America is a little more innocent two children and their flamboyant aunt head toward California in a Buick Skylark convertible Pauly Mahoney knows if she doesn t fret about her family no one will Certainly not her unstable mother or fun loving father who can t seem to make ends meet without her help It s Pauly s job to hold the family together until a hot summer night in Tulsa Oklahoma when her parents are killed in a freak carnival accident and Pauly s world turns upside down Abandoned by indifferent relatives Pauly and her brother are headed nowhere until their unfamiliar Aunt Nora volunteers to take them in No one seems to care that their unlikely guardian angel is a free spirited chain smoking movie extra with no visible means of support But when Aunt Nora points her stylish car toward California Pauly and her brother find themselves on a rollicking cross country journey with a woman who will show them that promises can be kept through laughter and tears and whose open heart has room for both of them and more The most appealing heroine since Scout Finch I m telling everyone I know don t miss this one Cassandra King author of *The Same Sweet Girls* **Living with Grace** Mark G. Boyer,2025-09-11 The year 2027 marks the thirtieth anniversary of John Denver s death His spirituality was a way of life like biblical spirituality is the reader enters Denver s spirituality and biblical spirituality to reflect on ways one may live both

together Denver's spirituality is based in nature and people. He observed nature and thoughtfully interpreted his experiences of it, recording his interpretations in lyrics and music. Likewise, after interpreting his relationships, he recorded his thoughts in love songs. Denver and biblical spirituality both begin with experience, reflection upon it, and a record of what the experience meant. Biblical authors told stories, recorded reflections, narrated events, or wrote psalms and poetry about their experiences. This book compares chosen Denver themes to biblical themes and reflects on the parallel spirituality in an abecedarian format of sixty-seven entries organized with 1 a title theme, 2 a JD section explaining how Denver uses the theme to name his experience, 3 a Scripture passage which illustrates the biblical use of the theme, 4 a Meditation Journal exercise to guide the reader into meditating journaling to deepen the reader's spirituality, and 5 a Psalm Response, a few verses from a biblical psalm song that uses the theme in some way.

Heart Wide Open Janae Thorne-Bird, 2010-02 A true story about a young woman's spiritual journey out of Mormon polygamy and into Modern day polyamory or expanded relationship. She tells the naked truth about her approach to relationships with her heart wide open. Her story is passionate, honest, hilarious, and at times heart-breaking. These are her authentic yet mystical experiences into the world of Mormon polygamy, shamanism, Goddess worship, naturism, Tantra, the Illuminati, and polyamory. You don't want to miss reading this highly spirited true story of one brave woman's desire to tell the truth, the naked truth.

Good Words Beth L. Hewett Ph.D., 2014-06-25 The author, a certified grief counselor, combines academic expertise with her own and others' personal experiences in this helpful resource. She thoughtfully directs grief-stricken readers through the steps to create a moving, truthful speech. Kirkus Indie Review: The eulogy is not about the bowling scores. It's about who our loved ones were, the human qualities, virtues, and noble deeds that made them people of value in the world. Good Words: Memorializing through a Eulogy teaches how a eulogy can help us in difficult times of grief. Dr. Hewett shares how eulogies can be written at the time of death, before a loved one has died, and shared with him or her, and even years later, as a way to remember and honor an important person in our lives. This book walks readers through the writing process to help them develop powerful and personal eulogies based on time-honored strategies. It also teaches readers how to deliver the eulogy effectively. Good Words is full of useful information about eulogies, such as how and when to include children in the ceremony, how to write eulogies for difficult situations like suicide or strained relationships, how to revise and polish a eulogy after the funeral or memorial ceremony, and how various religious perspectives from a wide variety of spiritual traditions might influence the eulogy. This book offers contemporary twists on classical eulogy writing, including using websites and YouTube to deliver the good words. Like no other book on the market, Good Words assists readers with writing their own good words of praise, blessing, and honor upon the death of a loved one.
