Judaism for Everyone Shmuley Boteach, 2009-12-22 With the publication of his runaway best seller *Kosher Sex* 1999 Rabbi Shmuley Boteach gained instant fame as a sage and savvy commentator on public and private life Now he turns his outspoken energy and vast erudition to the core teachings of Judaism itself During his eleven years as Rabbi of Oxford University and founder of the university's Jewish outreach organization the L Chaim Society Boteach began to realize how well matched the foundational beliefs of Judaism are to the broad human needs of the modern world Unlike the dualist credo of other religions in which the material and spiritual are always in conflict the Jewish faith argues Boteach uniquely represents a spiritual philosophy concerned about life in this world rather than in the hereafter In *Judaism for Everyone* this most unorthodox of orthodox rabbis explores the Jewish and Biblical origins of civilization's seminal moral ideas and presents Judaism as a program of action for people of all faiths Boteach's interpretations and commentary are a vibrant celebration of the dynamism that is Judaism Whether he's peppering his points with stories from his childhood promoting feminism and decrying boredom or extolling the virtues of leisure and solitude Shmuley Boteach never fails to inform inspire and surprise *Judaism for Everyone* is for everyone seeking a universal moral creed to maximize human goodness and inner potential

50 Jewish Messiahs Jerry Rabow, 2002 It is a little known fact that there have been more than fifty prominent Jewish Messiahs These characters though unrenowned today inspired messianic fervour that at times seized the whole Jewish Christian Muslim and even secular worlds The stories of these fifty Messiahs both male and female are unknown suppressed by Jewish religious authorities or ignored by historians of all religions Until now In this book these Jewish Messiahs are remembered and now their forgotten stories whether humorous bizarre tragic or solemn are finally told The Messiah who killed the Pope The Messiah who was saved from the Inquisition when the Pope hid him in the Vatican The Messiah who demanded that his head be cut off in order to prove his immortality The Messiah who defied the Holy Roman Emperor The 17th century Messiah whose followers continued their secret society into the 20th century And to contemporary times and the story of the late Lubavitcher Rebbe Menachem Mendel Schneerson and how he inspired a passionate and

devoted following Above all Fifty Jewish Messiahs examines humanity not divinity and history rather than theology Taken together these intriguing stories paint a vivid portrait of the universal and timeless human need for optimism and hope in a better future

Our Father Abraham Marvin R. Wilson,2021-06-29 Although the roots of Christianity run deep into Hebrew soil many Christians remain regrettably uninformed about the rich Jewish heritage of the church *Our Father Abraham* delineates the vital link between Judaism and Christianity exemplified by the common ancestry of the two faiths traceable back to Abraham Marvin Wilson calls Christians to reexamine their Semitic heritage to regain a more authentically biblical understanding of what they believe and practice Wilson a trusted voice among both Jews and Christians speaks to both past and present first developing a historical

perspective on the Jewish origins of the church and then discussing how the church can become more attuned to the Hebraic mindset of Scripture Drawing from his own extensive experience he also offers valuable practical guidance for salutary interaction between Christians and Jews Discussion questions at the end of each chapter make this book especially suitable for use in groups Christian Jewish or interfaith as readers strive to make sense of their own faith in connection with the other The second edition of *Our Father Abraham* features a new preface an expanded bibliography of recent relevant works and two new chapters one that discusses Jewish Christian relations after the Holocaust and another that reflects on Wilson's own fifty plus year career as an evangelical Christian deeply committed to interfaith dialogue As Christians and Jews feel a growing need for mutual support in an increasingly secular Western world Wilson's widely acclaimed book will offer encouragement and wise guidance toward this worthy end
