The Woman With The Flying Head And Other Stories:

The Woman with the Flying Head and Other Stories Yumiko Kurahashi, 1998 A collection of fantasy stories by a Japanese writer Typical is The Trade whose protagonist tries to exchange his ugly face for a better looking one The Woman with the Flying Head and Other Stories Kurahashi Yumiko, Atsuko Sakaki, 2015-05-20 This is an English language anthology dedicated to the short stories of Kurahashi Yumiko 1935 a Japanese novelist of profound intellectual powers The eleven stories included in this volume suggest the breadth of the author's literary production ranging from parodies of classical Japanese literature to cosmopolitan avant garde works from quasi autobiography to science fiction Her subversive fiction defies established definitions of literature Japan modernity and femininity and represents an important intellectual aspect of modern Japanese women's literature Barbecued Husbands Betty Mindlin, 2002-10-17 These are the stories of indigenous tribes of the Brazilian rainforests that are on the verge of extinction Mindlin recorded these tales that read like a novel and are infused with a magic realism **The Columbia Companion to Modern East Asian Literature** Joshua S. Mostow, 2003-07-10 This extraordinary one volume guide to the modern literatures of China Japan and Korea is the definitive reference work on the subject in the English language With more than one hundred articles that show how a host of authors and literary movements have contributed to the general literary development of their respective countries this companion is an essential starting point for the study of East Asian literatures Comprehensive thematic essays introduce each geographical section with historical overviews and surveys of persistent themes in the literature examined including nationalism gender family relations and sexuality Following the thematic essays are the individual entries over forty for China over fifty for Japan and almost thirty for Korea featuring everything from detailed analyses of the works of Tanizaki Jun ichiro and Murakami Haruki to far ranging explorations of avant garde fiction in China and postwar novels in Korea Arrayed chronologically each entry is self contained though extensive cross referencing affords readers the opportunity to gain a more synoptic view of the work author or movement The unrivaled opportunities for comparative analysis alone make this unique companion an indispensable reference for anyone interested in the burgeoning field of Asian literature Although the literatures of China Japan and Korea are each allotted separate sections the editors constantly kept an eye open to those writers works and movements that transcend national boundaries This includes for example Chinese authors who lived and wrote in Japan Japanese authors who wrote in classical Chinese and Korean authors who write in Japanese whether under the colonial occupation or because they are resident in Japan The waves of modernization can be seen as reaching each of these countries in a staggered fashion with eddies and back flows between them then complicating the picture further This volume provides a vivid sense of this dynamic interplay **More Stories by Japanese Women Writers: An Anthology** Kyoko Siden, 2014-12-18 This anthology introduces sixteen modern Japanese women writers spanning a century in time and a wide range of life circumstances and literary styles No other collection offers us such a diversity of women's voices **Last**

Obsessions with the Sino-Japanese Polarity in Japanese Literature Atsuko Sakaki, 2005-11-30 Using close readings of a range of premodern and modern texts Atsuko Sakaki focuses

on the ways in which Japanese writers and readers revised or in many cases devised rhetoric to convey Chineseness and how this practice contributed to shaping a national Japanese identity The volume begins by examining how Japanese travelers in China and Chinese travelers in Japan are portrayed in early literary works An increasing awareness of the diversity of Chinese culture forms a premise for the next chapter which looks at Japan's objectification of the Chinese and their works of art from the eighteenth century onward Chapter 3 examines gender as a factor in the formation and transformation of the Sino Japanese dyad Sakaki then continues with an investigation of early modern and modern Japanese representations of intellectuals who were marginalized for their insistence on the value of the classical Chinese canon and literary Chinese The work concludes with an overview of writing in Chinese by early Meiji writers and the presence of Chinese in the work of modern writer Nakamura Shin ichiro A final summary of the book's major themes makes use of several stories by Tanizaki Jun ichiro

World Literature Today, 1999

Representing the Other in Modern Japanese Literature Rachael Hutchinson, Mark Williams, 2006-09-27 Representing the Other in Modern Japanese Literature looks at the ways in which authors writing in Japanese in the twentieth century constructed a division between the Self and the Other in their work Drawing on methodology from Foucault and Lacan the clearly presented essays seek to show how Japanese writers have responded to the central question of what it means to be Japanese and of how best to define their identity Taking geographical racial and ethnic identity as a starting point to explore Japan's vision of non Japan representations of the Other are examined in terms of the experiences of Japanese authors abroad and in the imaginary lands envisioned by authors in Japan Using a diverse cross section of writers and texts as case studies this edited volume brings together contributions from a number of leading international experts in the field and is written at an accessible level making it essential reading for those working in Japanese studies colonialism identity studies and nationalism

The A to Z of Modern Japanese Literature and Theater Scott J. Miller, 2010-04-01 With the Meiji Restoration in 1868 Japan opened its doors to the West and underwent remarkable changes as it sought to become a modern nation Accompanying the political changes that Western trade ushered in were widespread social and cultural changes Newspapers novels poems and plays from the Western world were soon adapted and translated into Japanese The combination of the rich storytelling tradition of Japan with the realism and modernism of the West produced some of the greatest literature of the modern age The A to Z of Modern Japanese Literature and Theater presents a broad perspective on the development and history of literature narrative poetry and drama in modern Japan This book offers a chronology introduction bibliography and over 400 cross referenced dictionary entries on authors literary and historical developments trends genres and concepts that played a central role in the evolution of modern Japanese literature
