

A silhouette of an angel statue with large, feathered wings, standing and holding a laurel wreath. The statue is positioned on the left side of the image. The background is a dramatic sky at sunset or sunrise, with a gradient from deep purple at the top to bright orange and yellow near the horizon. A bright, glowing light source, likely the sun, is partially obscured by the horizon line, creating a strong backlight effect on the statue and illuminating the clouds. The bottom of the image shows a dark, jagged silhouette of a landscape or city skyline.
