## **The Vietnam War Day By Day:**

*The Vietnam War*, 1989      **The Vietnam War Day by Day** Leo Daugherty, 2011-08-01 The hardcover reference titles in the Day by Day series examine the evolution of conflicts and wars in a chronological timeline from the first skirmish to the last battle and everything in between These books are a historical companion to each major war in the nineteenth and twentieth century The fate of soldiers battalions armies can change in the blink of an eye with this comprehensive book readers can follow the conflicting sides in their strategy weaponry and policies This chronological approach to the conflict allows the reader to see at a glance the key operations on land at sea and in the air The individual stories of events during the war appear as separate articles written as lively newspaper accounts using the terminology and phrases used in the war such as Charlie search and destroy and body counts In this way the reader is able to relive the ebb and flow of the war while the contemporary images complement the entries and bring this unique conflict to life In addition the full color maps allow the reader to follow the course of the campaigns and battles with ease This book also contains boxes on specific aspects of the war such as strategy and tactics decisive weapons and regional politics The authoritative text is complemented by over 400 photographs that illuminate one of the most long running and tragic conflicts of the twentieth century      **"There It Is": Narratives of the Vietnam War** Tom Burns, 2021-09-06 This book provides a critical survey of the literature on the Vietnam War and is intended both for academic and general readers Earlier works of this kind constantly recycled criticism of a half dozen of the same works In this study the aim was to discuss a much greater number of works including a few that have never been discussed To appeal to non academic readers Lit Crit jargon was kept to a minimum and parallels with earlier works of war literature especially those of the two world wars were established      *Vietnam War Almanac* James H. Willbanks, 2013-09-03 With more than 58 000 casualties and 300 000 wounded at a cost of more than 130 billion the Vietnam War became one of the most divisive conflicts in American history The scars left by the war can still be felt today making it crucial that we have the facts about this watershed event Vietnam War Almanac contains a chronological history of the war in Vietnam with day by day listings of the war on the ground in the air and at sea international and U S events and a biographical dictionary of major military and civilian figures It may be impossible to fully understand such a complicated and horrible struggle but for the families of veterans and for historians the thorough presentation here along with its extensive bibliography and index is an excellent place to start Coverage here includes The Tet Offensive Walter L Cronkite The Battle of Dien Bien Phu Vo Nguyen Giap Ngo Dinh Diem The Battle of Ia Drang Valley Robert S McNamara The Battle of Hamburger Hill Abbie Hoffman The Battle of An Loc And much more President Nixon claimed that the war was misreported then and it is misremembered now This almanac will ensure that it is remembered correctly      **Dirty Little Secrets of the Vietnam War** James F. Dunnigan, Albert A. Nofi, 2000-05-05 Details suppressed or long forgotten facts about the conflict in Vietnam including a look at the beginnings of the Navy's Top Gun combat school      *The Vietnam War* Geoffrey C. Burns,2017-09-05 NATIONAL BESTSELLER Based on the celebrated PBS television series the complete text of an engrossing history of America's least understood conflict a significant milestone that will no doubt do much to determine how the war is understood for years to come The Washington Post More than forty years have passed since the end of the Vietnam War but its memory continues to loom large in the national psyche In this intimate history Geoffrey C Ward and Ken Burns have crafted a fresh and insightful account of the long and brutal conflict that reunited Vietnam while dividing the United States as nothing else had since the Civil War From the Gulf of Tonkin and the Tet Offensive to Hamburger Hill and the fall of Saigon Ward and Burns trace the conflict that dogged three American presidents and their advisers But most of the voices that echo from these pages belong to less exalted men and women those who fought in the war as well as those who fought against it both victims and victors willing for the first time to share their memories of Vietnam as it really was A magisterial tour de force The Vietnam War is an engrossing history of America's least understood conflict **The Vietnam War** Andrew Mason,2006 Learn how the war and its effects back home changed Americans attitude toward combat and how the experience caused changes in the United States *The Vietnam War in Newsprint-1968* ,2018-03-22 The Vietnam War as reported in Stars and Stripes newspaper and All Hands magazine This is a work in progress Check back for updates and continued progress **Looking Back on the Vietnam War** Brenda M. Boyle,Jeehyun Lim,2016-06-17 More than forty years have passed since the official end of the Vietnam War yet the war's legacies endure Its history and iconography still provide fodder for film and fiction communities of war refugees have spawned a wide Vietnamese diaspora and the United States military remains embroiled in unwinnable wars with eerie echoes of Vietnam Looking Back on the Vietnam War brings together scholars from a broad variety of disciplines who offer fresh insights on the war's psychological economic artistic political and environmental impacts Each essay examines a different facet of the war from its representation in Marvel comic books to the experiences of Vietnamese soldiers exposed to Agent Orange By putting these pieces together the contributors assemble an expansive yet nuanced composite portrait of the war and its global legacies Though they come from diverse scholarly backgrounds ranging from anthropology to film studies the contributors are united in their commitment to original research Whether exploring rare archives or engaging in extensive interviews they voice perspectives that have been excluded from standard historical accounts Looking Back on the Vietnam War thus embarks on an interdisciplinary and international investigation to discover what we remember about the war how we remember it and why **The Vietnam War** James Edward Westheider,2007-09-30 The Vietnam War was different from most previous U S wars of the twentieth century It was an undeclared and limited war The draft to supply the soldiers and serious problems in the Selective Service system meant that the burden of the war was carried disproportionately by minorities and working class whites many of whom did not want to serve While many Americans saw service in Vietnam as their patriotic duty others opposed the war This is the story of the men and women who served in that war whether overseas in active combat or in support roles in Viet
