The Walking Dead #129 Robert Kirkman, 2014-07-09 Even now they still find new ways to dispose of the dead

Apocalypse and Heroism in Popular Culture Katherine E. Sugg, 2022-03-11 Stories of world ending catastrophe have featured prominently in film and television Zombie apocalypses climate disasters alien invasions global pandemics and dystopian world orders fill our screens typically with a singular figure or tenacious group tasked with saving or salvaging the world Why are stories of End Times crisis so popular with audiences And why is the hero so often a white man who overcomes personal struggles and major obstacles to lead humanity toward a restored future This book examines the familiar trope of the hero and the recasting of contemporary anxieties in films like The Walking Dead Snowpiercer and Mad Max Fury Road Some have familiar roots in Western cultural traditions yet many question popular assumptions about heroes and heroism to tell new and fascinating stories about race gender and society and the power of individuals to change the world

Tragic Time in Drama, Film, and Videogames Rebecca Bushnell, 2016-11-14 This book explores how classical and Shakespearean tragedy has shaped the temporality of crisis on the stage and in time travel films and videogames In turn it uncovers how performance and new media can challenge common assumptions about tragic causality and fate Traditional tragedies may present us with a present when a calamity is staged a decisive moment in which everything changes However modern performance adaptation and new media can question the premises of that kind of present crisis and its fatality By offering replays or alternative endings experimental theatre adaptation time travel films and videogames reinvent the tragic experience of irreversible present time This book offers the reader a fresh understanding of tragic character and agency through these new media s exposure of the genre s deep structure *Holding Television Accountable* Allison Christina Budaj, Jonina Anderson-Lopez, 2025-03-13 This work discusses the impact of television show audience participation and expectations in the age of social media through reception theory content analysis and primary research on social media platforms It explores how audience reception can influence creative decisions and initiatives such as cancel culture and diversity efforts by thoroughly and critically analyzing shows like Girls The 100 Big Brother and Southern Charm to illustrate this phenomenon Various types of television are examined including reality TV network and cable TV and streaming TV to explore the influence of audience reception on creative ownership and accountability thus demonstrating the power of social media in the hands of viewers

Stephen King Simon Brown, 2018-02-28 Since the 1970s the name Stephen King has been synonymous with horror His vast number of books has spawned a similar number of feature films and TV shows and together they offer a rich opportunity to consider how one writer s work has been adapted over a long period within a single genre and across a variety of media and what that can tell us about King about adaptation and about film and TV horror Starting from the premise that King has

transcended ideas of authorship to become his own literary cinematic and televisual brand Screening Stephen King explores the impact and legacy of over forty years of King film and television adaptations Simon Brown first examines the reasons for King s literary success and then starting with Brian De Palma s Carrie explores how King s themes and style have been adapted for the big and small screens He looks at mainstream multiplex horror adaptations from Cujo to Cell low budget DVD horror films such as The Mangler and Children of the Corn franchises non horror films including Stand by Me and The Shawshank Redemption and TV works from Salem s Lot to Under the Dome Through this discussion Brown identifies what a Stephen King film or series is or has been how these works have influenced film and TV horror and what these influences reveal about the shifting preoccupations and industrial contexts of the post 1960s horror genre in film and TV
